ATTENDU qu'en vertu des dispositions de l'Acte de tempérance du Canada, l'avis suivant a été adressé au Secrétaire d'Etat pour le Canada, accompagné de la pétition ci-jointe :—

"A l'honorable Secrétaire d'Etat du Canada,—

"MONSIEUR,—Nous, soussignés, électeurs de la "division de la cité de Saint-Jean, qui constituait "récemment la cité de Portland, et dans laquelle cité "de Portland l'Acte de tempérance du Canada est "maintenant en vigueur en vertu d'un ordre en "conseil daté du 1er juillet 1886, vous prions de "prendre connaissance que nous désirons présenter la "pétition ci-dessous à Son Excellence le Gouverneur "général, savoir :

"'A Son Excellence le Gouverneur général du "'Canada en conseil,—

"'La pétition des soussignés, électeurs de la division "'de la cité de Saint-Jean, qui constituait récemment "'la cité de Portland, dans les cité et comté de Saint-"'Jean, et province du Nouveau-Brunswick, et dans "'laquelle cité de Portland l'Acte de tempérance du "'Canada est maintenant en vigueur en vertu d'un "'ordre en conseil daté du 1er juillet 1886, ayant qua-"'lité et capacité pour voter à l'élection d'un membre "'de la Chambre des Communes dans le dit comté de "'Westmoreland,—Expose respectueusement,—

"'Que vos pétitionnaires désirent que l'ordre en "'conseil passé sous l'empire de l'Acte de tempérance "'du Canada, le premier jour de juillet dans l'année "'de Notre-Seigneur mil huit cent quatre vingt-six, "'déclarant que le dit acte serait en vigueur et appli-"'cation dans la dite cité de Portland à compter du "'jour où expireraient les licences annuelles ou semi-"'annuelles alors en force dans la cité de Portland "'pour la vente des liqueurs spiritueuses, pourvu que "'ce jour fût au moins quatre-vingt-dix jours après "'la date du dit ordre en conseil, et si ce nombre de "'jours était moindre, ce serait alors à compter du "'même jour de l'année suivante, et s'il n'existait pas "'de licences en vigueur dans la dite cité, alors la "'deuxième partie du dit acte deviendrait en vigueur "'et en application dans la dite cité après l'expiration "'de trente jours à compter de sa date,—soit révoqué "'après l'expiration de trois ans qui suivront le jour "'où la dite deuxième partie de l'acte est devenu "'exécutoire dans la dite cité de Portland, en vertu du "'dit ordre en conseil, savoir, à compter du tren-"'tième jour d'avril de l'année de Notre Seigneur "'mil huit cent quatre-vingt-sept, étant le jour où "'expiraient les licences annuelles pour la vente des "'liqueurs spiritueuses dans la dite cité.

"'C'est pourquoi vos pétitionnaires prient humble-"'ment qu'il plaise à Votre Excellence, par un ordre "'en conseil en vertu du dit acte, de révoquer l'ordre "'en conseil du premier jour de juillet de l'année de "'Notre-Seigneur mil huit cent quatre-vingt-six ; et "'nous désirons que les votes des électeurs de cette "'division de la cité de Saint-Jean qui constituait "'récemment la cité de Portland soient enregistrés "'pour et contre la révocation du dit ordre en con-"'seil.' Et vos pétitionnaires, comme de droit, ne "cesseront de prier."

Et attendu que la deuxième partie du dit Acte a été mise en vigueur dans la dite cité de Portland (ainsi appelée autrefois), dans la province du Nouveau-Brunswick, par un ordre en conseil en date du premier jour de juillet mil huit cent quatre-vingt-six ;

Et attendu qu'il appert à la satisfaction du Gouverneur général en conseil que cet avis est revêtu des signatures authentiques d'un quart ou plus de tous les électeurs de la dite cité de Portland, dans la province du Nouveau-Brunswick ; qu'il est constaté que les signatures apposées à l'avis sont des signatures authentiques au nombre de neuf cent six, et que les autres exigences de l'acte ont été observées ;

Et attendu qu'un ordre du Gouverneur général en conseil a été passé, ordonnant que les votes de tous les électeurs de la dite cité de Portland soient enregistrés pour ou contre l'adoption de la dite pétition,—

Sachez maintenant, que, par les présentes, et en vertu de l'autorité qui Nous est conférée par le dit acte et le dit ordre en conseil, Nous proclamons et déclarons que jeudi, le treizième jour de mars prochain, un poll sera tenu dans la dite cité de Portland pour y recevoir les votes des électeurs pour et contre la dite pétition. Que ces votes seront enregistrés au scrutin secret depuis neuf heures du matin jusqu'à cinq heures de l'après-midi de ce jour-là. Que James A. Harding, écuyer, shérif des comté et cité de Saint-Jean, a été nommé officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs pour et contre la pétition, de compter ensuite les votes, et puis de faire rapport du résultat au Gouverneur général en conseil. Que le dit officier rapporteur est autorisé et requis de nommer un sous-officier-rapporteur à et pour chaque bureau de votation. Que l'officier-rapporteur nommera les différentes personnes qui devront se tenir aux différents bureaux de votation, et qui devront faire le décompte final des votes, au nom des personnes autorisées à favoriser ou à s'opposer respectivement à l'adoption de la pétition, au bureau du dit shérif des dits comté et cité de Saint-Jean, lundi, le dixième jour de mars prochain, à dix heures de l'avant-midi.

Que les votes des électeurs seront comptés, et le résultat de la votation annoncé par l'officier-rapporteur au bureau du shérif des dits comté et cité de Saint-Jean, lundi, le dix-septième jour de mars prochain.

Et que dans le cas où la pétition serait adoptée par les électeurs, le Gouverneur général en conseil pourra, en tout temps après l'expiration d'une période de trente jours depuis la date de l'adoption de la dite pétition, et après l'expiration de trois années à compter du jour de l'entrée en vigueur de la deuxième partie du dit acte, dans la dite cité de Portland en vertu du dit ordre en conseil en date du premier jour de juillet 1886, par un ordre en conseil publié dans la *Gazette du Canada* révoquer le dit ordre en conseil du premier jour de juillet mil huit cent quatre-vingt-six, par lequel la deuxième partie de l'Acte de tempérance du Canada, 1878, devenait exécutoire dans la dite cité de Portland, tel que y mentionné.

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

En foi de quoi, Nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. Témoin, Notre très fidèle et bien aimé le Très-honorable Sir Frederick Arthur Stanley, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain ; Gouverneur-général du Canada et Vice-amiral d'icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce VINGT-SEPTIÈME jour de JANVIER dans l'année de Notre-Seigneur, mil huit cent quatre-vingt-dix, et de Notre Règne la cinquante-troisième.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

JAMAICA INDUSTRIAL AND MANUFACTURING EXHIBITION, TO BE OPENED IN JAMAICA, JANUARY, 1891.

Committee in United Kingdom :

Honorary President :—The Right Hon. The Lord Knutsford, G.C.M.G., &c., &c.

Chairman :—C. Washington Eves, Esq., F.R.G.S.

Committee :—His Grace The Duke of St. Albans ; Sir Henry Barkly, G.C.M.G., K.C.B. ; Sir Frederick Young, K.C.M.G. ; Sir Edward Newton, K.C.M.G. ; Sir J. R. Somers Vine, F.S.S. ; Major-General J. R. Mann, C.M.G. ; Sir John Simon ; Neville Lubbock, Esq. ; Alexander Crum Ewing, Esq. ; Richard M. Harvey, Esq., F.R.G.S. ; D. Morris, Esq., M.A., F.L.S. ; Maxwell Hall, Esq., M.A., F.R.A.S. ; Dr. D. Palmer Ross, F.R.C.S.E. ; J. Kenyon Hawthorn, Esq. ; W. C. C. Park, Esq. ; Samuel Shortridge, Esq. ; Wm. Fawcett, Esq., B.Sc., F.L.S. ; E. A. de Pass, Esq.

The Exhibition, to be opened in January, 1891, will be managed by a Commission, His Excellency the Governor being at the head. This Commission has already been constituted by a Colonial Law.

A Committee has been formed in London, representing Jamaica interests in the United Kingdom, to co-operate with the organizing body in Jamaica. The Committee, as at present constituted, is given above, the consent of Lord Knutsford to act as Honorary President being especially gratifying to all connected with the Colony. That the scheme has taken practical shape is proved by the fact that in the Colony alone over £16,000 has already been guaranteed, out of a total of £20,000 required.

The Exhibition will comprise specimens of all Jamaica products : Sugar of all qualities and its allied industry of Rum manufacture ; Liqueurs, Cordials, &c. ; Coffee ; Oranges, Pine Apples and Fruits of all kinds ; Pimento, Cacao, Annatto ; Woods in all degrees of preparation for use ; Spices, Condiments, &c. ; Fibres and Fibrous Materials ; Cinchona Bark, Oils, Essential Oils, Perfumes, &c. ; Medicinal and Economic substances ; Works of Art, Pictures, Fancy Articles and Ornamental Work ; Horses, Cattle and Live Stock of all kinds. The Botany and Geology of the Island will also be fully illustrated.

There will also be exhibited specimens of goods imported into Jamaica from all countries.

It is hoped that all parts of the Empire will add to the interest and completeness of this exposition by sending specimens and ornamental trophies illustrative of their productions.

The attention of Merchants and Manufacturers in the United Kingdom is especially invited. English goods find a ready market in a Colony of nearly 650,000 people. It is also desired to show the advance of science in manufacturing tropical products. The Engineering Firms and Manufacturers of Machinery are requested to give their aid by exhibiting plans, drawings, models and specimens, so far as convenient, of actual machinery connected with such manufactures.

Shipowners are earnestly requested to co-operate by offering to take out specimens free of freight ; and all who are interested in the commerce and productive prosperity of Jamaica are desired to give their help to an undertaking which must be beneficial to the Colony and all concerned in its fortunes.

As the Exhibition will be made as attractive as possible, the question of hotel accommodation for visitors from all parts of the British Empire, from the Continent of Europe, and the United States and South America, will be considered, and details published in good time.

Communications and applications for forms and regulations to be addressed as early as possible to the Chairman, 1 Fen Court, London, E. C.

December, 1889.

NOTICE TO MARINERS.

No. 1 of 1890.

PICTOU HARBOR RANGE LIGHTS.

Two range lights, established by the Government of Canada at the entrance to Pictou Harbour, on the Strait of Northumberland coast of the Province of Nova Scotia, were put in operation on the 25th December last, and will be maintained throughout the season of general navigation and at such time during the winter as any steamer may be running into Pictou Harbor.

Both lights are located on the farm of Alexander Fraser, on the north side of the entrance to Pictou Harbor, and both are fixed red lights shown from reflector lanterns hoisted on masts. They are only required to be visible for a distance of about 3 miles, in, and over a small arc on each side of, the alignment

The outer range light stands about 600 feet back from the shore, and is elevated 56 feet above high water mark. The mast is 15 feet high.

Lat. N. 45° 41' 50"
Long. W. 62° 40' 15"

The back range light is 450 feet N. W. by W. ¼ W. from the front one. It is elevated 75 feet above high water mark, the mast being 30 feet high.

This range is intended to show the direction of the channel between the Sand Spit off Pictou Bar light on the south and Murdoch's Shoal on the north. Vessels entering the harbor should follow the usual course, by keeping the Pictou Bar light in one with the light in the Custom House, W. ¼ N. until reaching the alignment of the Fraser's Farm range, which they should keep on a N. W. by W. ¼ W. course, until the Pictou Bar light is brought nearly abeam, whence a W. ½ S. course will lead to safe anchorage in the harbor.

This notice affects Admiralty Charts Nos. 1989, 2034, 2516, 2666 and 2670, and the substance of it should be entered in the Canadian List of Lights under the Nos. 337*a* and 337*b*.

Lat. N. 45° 43' 45"
Long. W. 64° 29' 40"

The light will be fixed white, elevated 72 feet above high water mark, and should be visible 10 miles over an arc of 208½ degrees between the bearings of E.N.E. round through South to S. W. ½ W. The illuminating apparatus is dioptric of small size.

The tower is a square wooden building, painted white. Its height from base to vane is 22 feet.

This notice affects Admiralty Charts Nos. 353, 354, 2516 and 2670, and the substance of it should be entered in the Canadian List of Lights under the No. 455*a*.

BRIGHTON BEACH RANGE LIGHTS.

Two range lights established by the Government of Canada on Brighton Beach, on the East side of the North River, in Charlottetown Harbor, on the Strait of Northumberland coast of Prince Edward Island, will be put in operation on the opening of general navigation in 1890, or sooner if required for the use of winter steamers, and will be maintained throughout the season of general navigation, and at such times in winter as any steamers are running to Charlottetown.

Both lights will be fixed red, shown from reflector lanterns hoisted on masts, with a diamond shaped slatwork beacon attached to the head of each mast as a day mark, and a shed at the foot; the whole painted white.

The front range mast stands upon the north-western corner of the breakwater of the Honorable G. W. Howlan's property, and is 40 feet high.

Lat. N. 46° 14' 5"
Long. W. 63° 8' 20"

The light should be visible for 7 miles over a small arc on each side of the alignment.

The back range mast stands on the old Asylum grounds, 1,275 feet due north from the front one, and is 42 feet high.

The light is elevated 72 feet above high water mark, and should be visible 9 miles over a small arc on each side of the alignment.

Vessels entering will keep the alignment of the Haszard's Point range until the Brighton Beach Range Lights are brought in one, when the course must be changed due north and the alignment kept until off Canseau Point, whence the course up the harbor may be judged by the town lights.

Note, that the intersection of the alignments is about half a mile south of the St. Peter's Spit buoy, and that vessels should not keep the Haszard's Point range until abreast of the St. Peter's spit buoy, as described in Notice to Mariners No. 50 of 1889, as it would lead them too close to Squaw Shoal. On the two alignments nowhere less than 5 fathoms should be found.

This Notice affects Admiralty Charts Nos. 1709, 1738, 2034 and 2666, and the substance of it should be

entered in the Canadian List of Lights and Fog Signals under the Nos. 308*c* and 308*d*.

PROPOSED CHANGE IN CHARACTER OF BEAVER ISLAND AND EGG ISLAND LIGHTS.

From and after the 15th June next the light on East Beaver Island, on the South, or Atlantic, coast of Nova Scotia, in the County of Halifax, will be changed from a bright light, revolving every two minutes, to a bright light revolving or showing a flash every 45 seconds.

Lat.	N.	44°	49'	34"
Long.	W.	62°	20'	10"

In all other respects the light and station will remain as heretofore.

From and after the 15th June next the light on Egg Island, on the same coast, will be changed from an alternating red and white light, showing a flash every minute, to a group-flashing white, or bright, light, showing three flashes, with intervals of 15 seconds between their points of greatest brilliancy, followed by an interval of 30 seconds, during the greater part of which interval the light will be totally eclipsed, the light thus completing a revolution in one minute.

Lat.	N.	44°	39'	52"
Long.	W.	62°	51'	32"

These changes are being made to obviate the risk of confusion between the two lights in question, and also to increase their efficiency.

This notice affects Admiralty Charts Nos. 729, 2396, 2439, 2624, 2663 and 2666, and Canadian List of Lights Nos. 389 and 392.

ATTENDU qu'en vertu des dispositions de l'Acte de tempérance du Canada, l'avis suivant a été adressé au Secrétaire d'Etat pour le Canada, accompagné de la pétition ci-jointe :—

“ A l'honorable Secrétaire d'Etat du Canada,—

“ MONSIEUR,—Nous, soussignés, électeurs de la
“ division de la cité de Saint-Jean, qui constituait
“ récemment la cité de Portland, et dans laquelle cité
“ de Portland l'Acte de tempérance du Canada est
“ maintenant en vigueur en vertu d'un ordre en
“ conseil daté du 1er juillet 1886, vous prions de
“ prendre connaissance que nous désirons présenter la
“ pétition ci-dessous à Son Excellence le Gouverneur
“ général, savoir :

“ ‘ A Son Excellence le Gouverneur général du
“ ‘ Canada en conseil,—

“ ‘ La pétition des soussignés, électeurs de la division
“ ‘ de la cité de Saint-Jean, qui constituait récemment
“ ‘ la cité de Portland, dans les cité et comté de Saint-
“ ‘ Jean, et province du Nouveau-Brunswick, et dans
“ ‘ laquelle cité de Portland l'Acte de tempérance du
“ ‘ Canada est maintenant en vigueur en vertu d'un
“ ‘ ordre en conseil daté du 1er juillet 1886, ayant qua-
“ ‘ lité et capacité pour voter à l'élection d'un membre
“ ‘ de la Chambre des Communes dans le dit comté de
“ ‘ Westmoreland,—Expose respectueusement,—

“ ‘ Que vos pétitionnaires désirent que l'ordre en
“ ‘ conseil passé sous l'empire de l'Acte de tempérance
“ ‘ du Canada, le premier jour de juillet dans l'année
“ ‘ de Notre-Seigneur mil huit cent quatre vingt-six,
“ ‘ déclarant que le dit acte serait en vigueur et appli-
“ ‘ cation dans la dite cité de Portland à compter du
“ ‘ jour où expireraient les licences annuelles ou semi-
“ ‘ annuelles alors en force dans la cité de Portland
“ ‘ pour la vente des liqueurs spiritueuses, pourvu que
“ ‘ ce jour fût au moins quatre-vingt-dix jours après
“ ‘ la date du dit ordre en conseil, et si ce nombre de
“ ‘ jours était moindre, ce serait alors à compter du
“ ‘ même jour de l'année suivante, et s'il n'existait pas
“ ‘ de licences en vigueur dans la dite cité, alors la
“ ‘ deuxième partie du dit acte deviendrait en vigueur
“ ‘ et en application dans la dite cité après l'expiration
“ ‘ de trente jours à compter de sa date,—soit révoqué
“ ‘ après l'expiration de trois ans qui suivront le jour
“ ‘ où la dite deuxième partie de l'acte est devenu
“ ‘ exécutoire dans la dite cité de Portland, en vertu du
“ ‘ dit ordre en conseil, savoir, à compter du tren-
“ ‘ tième jour d'avril de l'année de Notre Seigneur
“ ‘ mil huit cent quatre-vingt-sept, étant le jour où

“ ‘ C'est pourquoi vos pétitionnaires prient humble-
“ ‘ ment qu'il plaise à Votre Excellence, par un ordre
“ ‘ en conseil en vertu du dit acte, de révoquer l'ordre
“ ‘ en conseil du premier jour de juillet de l'année de
“ ‘ Notre-Seigneur mil huit cent quatre-vingt-six ; et
“ ‘ nous désirons que les votes des électeurs de cette
“ ‘ division de la cité de Saint-Jean qui constituait
“ ‘ récemment la cité de Portland soient enregistrés
“ ‘ pour et contre la révocation du dit ordre en con-
“ ‘ seil.’ Et vos pétitionnaires, comme de droit, ne
“ cesseront de prier.”

Et attendu que la deuxième partie du dit Acte a été mise en vigueur dans la dite cité de Portland (ainsi appelée autrefois), dans la province du Nouveau-Brunswick, par un ordre en conseil en date du premier jour de juillet mil huit cent quatre-vingt-six ;

Que les votes des électeurs seront comptés, et le résultat de la votation annoncé par l'officier-rapporteur au bureau du shérif des dits comté et cité de Saint-Jean, lundi, le dix-septième jour de mars prochain.

Et que dans le cas où la pétition serait adoptée par les électeurs, le Gouverneur général en conseil pourra, en tout temps après l'expiration d'une période de trente jours depuis la date de l'adoption de la dite pétition, et après l'expiration de trois années à compter du jour de l'entrée en vigueur de la deuxième partie du dit acte, dans la dite cité de Portland en vertu du dit ordre en conseil en date du premier jour de juillet 1886, par un ordre en conseil publié dans la *Gazette du Canada* révoquer le dit ordre en conseil du premier jour de juillet mil huit cent quatre-vingt-six, par lequel la deuxième partie de l'Acte de tempérance du Canada, 1878, devenait exécutoire dans la dite cité de Portland, tel que y mentionné.

MILORD,—J'ai l'honneur de vous transmettre, pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un arrêté de Sa Majesté en conseil, en date du 28 de novembre 1889, afin de donner effet au traité conclu entre Sa Majesté et le Président de la République de la Colombie pour l'extradition mutuelle des criminels fugitifs, signé à Bogotá, le 27 octobre 1888, et dont les ratifications furent échangées à Bagotá le 21 août 1889.

Le traité deviendra exécutoire le 16 décembre, en conformité de l'article XVIII.

J'ai l'honneur d'être,
Milord,
Votre très obéissant serviteur,
KNUTSFOBD.

A l'administrateur
du gouvernement du Canada.

Extrait de la *Gazette de Londres*, de vendredi, 6 décembre 1889.

AU CHATEAU DE WINDSOR,

28 novembre 1889.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,
Le comte de Zetland,
Le secrét. lord Knutsford,
Lord Ashbourne,
Sir James Furgusson, bart.,
Sir James Caird.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par un arrêté en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, mais pas plus longtemps ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingt-septième jour d'octobre mil huit cent quatre-vingt-huit, entre Sa Majesté et le Président de la République de la Colombie, pour l'extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et le Président de la République de la Colombie, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, William John Dickson, écuyer, Son ministre résident près la République de la Colombie ; et

Son Excellence le Président de la République de la Colombie, Vicente Restrepo, ministre des Affaires Etrangères de la dite république ;

Lesquels, après s'être communiqué leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour l'un quelconque des crimes ou délits énumérés dans l'article II, et commis dans le territoire de l'une des parties, seraient trouvés dans le territoire de l'autre.

ARTICLE II.

L'extradition sera réciproquement accordée pour les crimes ou délits ci-dessous :—

1. Meurtre (y compris l'assassinat, le parricide, l'infanticide, l'empoisonnement), ou tentative de meurtre, ou complot ayant ce crime pour but.

2. Homicide sans préméditation.

3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.

4. Viol.

5. Commerce charnel avec une jeune fille de moins de 16 ans, ou tentative à cet effet, si la preuve produite justifie la condamnation pour ces crimes d'après les lois des deux parties contractantes.

6. Attentat à la pudeur avec violence.

7. Séquestration ou détention illégale, vol d'enfants.

8. Enlèvement.

9. Bigamie.

10. Blessures ou graves lésions corporelles infligées avec mauvaises intentions.

11. Voies de fait, causant des lésions corporelles graves.

12. Menaces par lettre ou autrement, en vue d'extorquer de l'argent, ou autres choses de valeur.

13. Faux serment ou subornation de témoins.

14. Incendie volontaire.

15. Effraction ou escalade d'une habitation, vol avec violence, larcin ou détournement.

16. Fraude (abus de confiance) par un administrateur, banquier, agent, commissionnaire, curateur, directeur, membre ou fonctionnaire d'une société quelconque, pour autant que le fait est puni par les lois en vigueur.

17. Escroquerie d'argent, objets de valeur, ou autres effets sous de faux prétextes; recel d'argent, objets de valeur, ou autre propriété, sachant qu'ils ont été volés ou obtenus frauduleusement.

18. *(a.)* Contrefaçon ou altération de monnaie, mise en circulation de monnaie contrefaite ou altérée.

(b.) Faux, contrefaçon ou altération, ou mise en circulation de ce qui est falsifié, ou contrefait ou altéré.

(c.) Faire sciemment, sans y être autorisé par la loi, un instrument, outil ou machine adapté et destiné à contrefaire l'argent monnayé ou le papier-monnaie des deux pays respectivement.

19. Crimes contre les lois sur la banqueroute.

20. Tout acte malicieux fait dans l'intention de mettre en danger la sûreté de toute personne voyageant sur un chemin de fer ou s'y trouvant.

21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.

22. Crimes commis sur la haute mer :—

(a.) Piraterie considérée comme crime d'après le droit des gens.

(b.) Submersion, échouement ou destruction d'un navire en mer, ou tentative ou complot ayant ce crime pour but.

(c.) Révolte ou complot de révolte par deux ou plusieurs personnes à bord d'un navire en haute mer, contre l'autorité du capitaine.

(d.) Attaque à bord d'un navire en haute mer dans le but d'homicide ou afin de porter de graves lésions corporelles.

23. Traite des esclaves telle qu'elle constitue une offense criminelle contre les lois des deux pays.

L'extradition aura également lieu pour complicité à un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'État requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté ou par le gouvernement de la Colombie, a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement, soit dans le territoire de la Colombie, soit dans le Royaume-Uni, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par le gouvernement de la Colombie est en état de prévention, pour tout autre crime commis dans le territoire de la Colombie ou dans le Royaume-Uni respectivement, son extradition sera différée jusqu'à la fin du procès, et jusqu'après la pleine exécution de la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si, depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considérée comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe des agents diplomatiques respectifs des deux hautes parties contractantes.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne poursuivie.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant en Colombie que dans le Royaume-Uni, si, dans le délai de trente jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation. L'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans cet Etat, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.
4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'État requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté britannique pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par l'autorité consulaire principale de la république de la Colombie dans cette colonie ou possession.

Le gouverneur ou l'autorité supérieure mentionnée ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté britannique de faire, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies ou possessions étrangères pour l'extradition de criminels colombiens qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté britannique seront traités suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

La présente convention sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre pas plus d'un an ni moins de six mois à l'avance avis de son intention.

Le traité, après avoir reçu l'approbation du Congrès de la Colombie, sera ratifié, et les ratifications seront échangées à Bogotá, aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé la présente convention, et y ont apposé le cachet de leurs armes.

Fait en double, à Bogotá, le 27e jour d'octobre, dans l'année mil huit cent quatre-vingt-huit.

[L.S.] W. J. DICKSON.
[L.S.] VICENTE RESTREPO.

Et attendu que les ratifications du dit traité ont été échangées à Bogotá, le vingt-unième jour d'août mil huit cent quatre-vingt-neuf ;

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné que le et après le seizième jour de décembre mil huit cent quatre-vingt-neuf, les dits actes s'appliqueront dans le cas de la Colombie et du dit traité avec le Président de la République de la Colombie.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République de la Colombie et du dit traité, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JAMAICA INDUSTRIAL AND MANUFACTURING EXHIBITION, TO BE OPENED IN JAMAICA, JANUARY, 1891.

Committee in United Kingdom :

Honorary President :—The Right Hon. The Lord Knutsford, G.C.M.G., &c., &c.

Chairman :—C. Washington Eves, Esq., F.R.G.S.

Committee :—His Grace The Duke of St. Albans ; Sir Henry Barkly, G.C.M.G., K.C.B. ; Sir Frederick Young, K.C.M.G. ; Sir Edward Newton, K.C.M.G. ; Sir J. R. Somers Vine, F.S.S. ; Major-General J. R. Mann, C.M.G. ; Sir John Simon ; Neville Lubbock, Esq. ; Alexander Crum Ewing, Esq. ; Richard M. Harvey, Esq., F.R.G.S. ; D. Morris, Esq., M.A., F.L.S. ; Maxwell Hall, Esq., M.A., F.R.A.S. ; Dr. D. Palmer Ross, F.R.C.S.E. ; J. Kenyon Hawthorn, Esq. ; W. C. C. Park, Esq. ; Samuel Shortridge, Esq. ; Wm. Fawcett, Esq., B.Sc., F.L.S. ; E. A. de Pass, Esq.

The Exhibition, to be opened in January, 1891, will be managed by a Commission, His Excellency the Governor being at the head. This Commission has already been constituted by a Colonial Law.

A Committee has been formed in London, representing Jamaica interests in the United Kingdom, to co-operate with the organizing body in Jamaica. The Committee, as at present constituted, is given above, the consent of Lord Knutsford to act as Honorary President being especially gratifying to all connected with the Colony. That the scheme has taken practical shape is proved by the fact that in the Colony alone over £16,000 has already been guaranteed, out of a total of £20,000 required.

The Exhibition will comprise specimens of all Jamaica products : Sugar of all qualities and its allied industry of Rum manufacture ; Liqueurs, Cordials, &c. ; Coffee ; Oranges, Pine Apples and Fruits of all kinds ; Pimento, Cacao, Annatto ; Woods in all degrees of preparation for use ; Spices, Condiments, &c. ; Fibres and Fibrous Materials ; Cinchona Bark, Oils, Essential Oils, Perfumes, &c. ; Medicinal and Economic substances ; Works of Art, Pictures, Fancy Articles and Ornamental Work ; Horses, Cattle and Live Stock of all kinds. The Botany and Geology of the Island will also be fully illustrated.

There will also be exhibited specimens of goods imported into Jamaica from all countries.

It is hoped that all parts of the Empire will add to the interest and completeness of this exposition by sending specimens and ornamental trophies illustrative of their productions.

The attention of Merchants and Manufacturers in the United Kingdom is especially invited. English goods find a ready market in a Colony of nearly 650,000 people. It is also desired to show the advance of science in manufacturing tropical products. The Engineering Firms and Manufacturers of Machinery are requested to give their aid by exhibiting plans, drawings, models and specimens, so far as convenient, of actual machinery connected with such manufactures.

Shipowners are earnestly requested to co-operate by offering to take out specimens free of freight ; and all who are interested in the commerce and productive prosperity of Jamaica are desired to give their help to an undertaking which must be beneficial to the Colony and all concerned in its fortunes.

As the Exhibition will be made as attractive as possible, the question of hotel accommodation for visitors from all parts of the British Empire, from the Continent of Europe, and the United States and South America, will be considered, and details published in good time.

Communications and applications for forms and regulations to be addressed as early as possible to the Chairman, 1 Fen Court, London, E. C.

December, 1889.

NOTICE TO MARINERS.

No. 1 of 1890.

PICTOU HARBOR RANGE LIGHTS.

Two range lights, established by the Government of Canada at the entrance to Pictou Harbour, on the Strait of Northumberland coast of the Province of Nova Scotia, were put in operation on the 25th December last, and will be maintained throughout the season of general navigation and at such time during the winter as any steamer may be running into Pictou Harbor.

Both lights are located on the farm of Alexander Fraser, on the north side of the entrance to Pictou Harbor, and both are fixed red lights shown from reflector lanterns hoisted on masts. They are only required to be visible for a distance of about 3 miles, in, and over a small arc on each side of, the alignment

The outer range light stands about 600 feet back from the shore, and is elevated 56 feet above high water mark. The mast is 15 feet high.

Lat. N. 45° 41' 50"
Long. W. 62° 40' 15"

The back range light is 450 feet N. W. by W. ¼ W. from the front one. It is elevated 75 feet above high water mark, the mast being 30 feet high.

This range is intended to show the direction of the channel between the Sand Spit off Pictou Bar light on the south and Murdoch's Shoal on the north. Vessels entering the harbor should follow the usual course, by keeping the Pictou Bar light in one with the light in the Custom House, W. ¼ N. until reaching the alignment of the Fraser's Farm range, which they should keep on a N. W. by W. ¼ W. course, until the Pictou Bar light is brought nearly abeam, whence a W. ½ S. course will lead to safe anchorage in the harbor.

This notice affects Admiralty Charts Nos. 1989, 2034, 2516, 2666 and 2670, and the substance of it should be entered in the Canadian List of Lights under the Nos. 337*a* and 337*b*.

The tower is a square wooden building, painted white. Its height from base to vane is 22 feet.

BRIGHTON BEACH RANGE LIGHTS.

Two range lights established by the Government of Canada on Brighton Beach, on the East side of the North River, in Charlottetown Harbor, on the Strait of Northumberland coast of Prince Edward Island, will be put in operation on the opening of general navigation in 1890, or sooner if required for the use of winter steamers, and will be maintained throughout the season of general navigation, and at such times in winter as any steamers are running to Charlottetown.

Both lights will be fixed red, shown from reflector lanterns hoisted on masts, with a diamond shaped slatwork beacon attached to the head of each mast as a day mark, and a shed at the foot; the whole painted white.

The front range mast stands upon the north-western corner of the breakwater of the Honorable G. W. Howlan's property, and is 40 feet high.

Lat. N. 46° 14' 5"
Long. W. 63° 8' 20"

The light should be visible for 7 miles over a small arc on each side of the alignment.

The back range mast stands on the old Asylum grounds, 1,275 feet due north from the front one, and is 42 feet high.

The light is elevated 72 feet above high water mark, and should be visible 9 miles over a small arc on each side of the alignment.

Vessels entering will keep the alignment of the Haszard's Point range until the Brighton Beach Range Lights are brought in one, when the course must be changed due north and the alignment kept until off Canseau Point, whence the course up the harbor may be judged by the town lights.

Note, that the intersection of the alignments is about half a mile south of the St. Peter's Spit buoy, and that vessels should not keep the Haszard's Point range until abreast of the St. Peter's spit buoy, as described in Notice to Mariners No. 50 of 1889, as it would lead them too close to Squaw Shoal. On the two alignments nowhere less than 5 fathoms should be found.

This Notice affects Admiralty Charts Nos. 1709, 1738, 2034 and 2666, and the substance of it should be

entered in the Canadian List of Lights and Fog Signals under the Nos. 308*c* and 308*d*.

PROPOSED CHANGE IN CHARACTER OF BEAVER ISLAND AND EGG ISLAND LIGHTS.

From and after the 15th June next the light on East Beaver Island, on the South, or Atlantic, coast of Nova Scotia, in the County of Halifax, will be changed from a bright light, revolving every two minutes, to a bright light revolving or showing a flash every 45 seconds.

Lat. N. 44° 49' 34"
Long. W. 62° 20' 10"

In all other respects the light and station will remain as heretofore.

From and after the 15th June next the light on Egg Island, on the same coast, will be changed from an alternating red and white light, showing a flash every minute, to a group-flashing white, or bright, light, showing three flashes, with intervals of 15 seconds between their points of greatest brilliancy, followed by an interval of 30 seconds, during the greater part of which interval the light will be totally eclipsed, the light thus completing a revolution in one minute.

Lat. N. 44° 39' 52"
Long. W. 62° 51' 32"

These changes are being made to obviate the risk of confusion between the two lights in question, and also to increase their efficiency.

This notice affects Admiralty Charts Nos. 729, 2396, 2439, 2624, 2663 and 2666, and Canadian List of Lights Nos. 389 and 392.

ATTENDU qu'en vertu des dispositions de l'Acte de tempérance du Canada, l'avis suivant a été adressé au Secrétaire d'Etat pour le Canada, accompagné de la pétition ci-jointe :—

“ A l'honorable Secrétaire d'Etat du Canada,—
“ MONSIEUR,—Nous, soussignés, électeurs de la

“ maintenant en vigueur en vertu d'un ordre en
“ conseil daté du 1er juillet 1886, vous prions de
“ prendre connaissance que nous désirons présenter la
“ pétition ci-dessous à Son Excellence le Gouverneur
“ général, savoir :
“ ‘ A Son Excellence le Gouverneur général du
“ ‘ Canada en conseil,—
“ ‘ La pétition des soussignés, électeurs de la division
“ ‘ de la cité de Saint-Jean, qui constituait récemment
“ ‘ la cité de Portland, dans les cité et comté de Saint-
“ ‘ Jean, et province du Nouveau-Brunswick, et dans

“ ‘ Que vos pétitionnaires désirent que l'ordre en

“ ‘ de Notre-Seigneur mil huit cent quatre vingt-six,
“ ‘ déclarant que le dit acte serait en vigueur et appli-

“ ‘ jours était moindre, ce serait alors à compter du
“ ‘ même jour de l'année suivante, et s'il n'existait pas
“ ‘ de licences en vigueur dans la dite cité, alors la
“ ‘ deuxième partie du dit acte deviendrait en vigueur
“ ‘ et en application dans la dite cité après l'expiration

Le traité deviendra exécutoire le 16 décembre, en conformité de l'article XVIII.

J'ai l'honneur d'être,
Milord,
Votre très obéissant serviteur,
KNUTSFORD.

A l'administrateur
du gouvernement du Canada.

Extrait de la *Gazette de Londres*, de vendredi, 6 décembre 1889.

AU CHATEAU DE WINDSOR,

28 novembre 1889.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,	Lord Ashbourne,
Le comte de Zetland,	Sir James Furgusson, bart.,
Le secrét. lord Knutsford,	Sir James Caird.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par un arrêté en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, mais pas plus longtemps ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé " Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingt-septième jour d'octobre mil huit cent quatre-vingt-huit, entre Sa Majesté et le Président de la République de la Colombie, pour l'extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et le Président de la République de la Colombie, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, William John Dickson, écuyer, Son ministre résident près la République de la Colombie ; et

Son Excellence le Président de la République de la Colombie, Vicente Restrepo, ministre des Affaires Etrangères de la dite république ;

Lesquels, après s'être communiqué leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour l'un quelconque des crimes ou délits énumérés dans l'article II, et commis dans le territoire de l'une des parties, seraient trouvés dans le territoire de l'autre.

ARTICLE II.

L'extradition sera réciproquement accordée pour les crimes ou délits ci-dessous :—

1. Meurtre (y compris l'assassinat, le parricide, l'infanticide, l'empoisonnement), ou tentative de meurtre, ou complot ayant ce crime pour but.

2. Homicide sans préméditation.

3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.

4. Viol.

5. Commerce charnel avec une jeune fille de moins de 16 ans, ou tentative à cet effet, si la preuve produite justifie la condamnation pour ces crimes d'après les lois des deux parties contractantes.

6. Attentat à la pudeur avec violence.

7. Séquestration ou détention illégale, vol d'enfants.

8. Enlèvement.

9. Bigamie.

(d.) Attaque à bord d'un navire en haute mer dans le but d'homicide ou afin de porter de graves lésions corporelles.

23. Traite des esclaves telle qu'elle constitue une offense criminelle contre les lois des deux pays.

L'extradition aura également lieu pour complicité à un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'État requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté ou par le gouvernement de la Colombie, a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement, soit dans le territoire de la Colombie, soit dans le Royaume-Uni, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par le gouvernement de la Colombie est en état de prévention, pour tout autre crime commis dans le territoire de la Colombie ou dans le Royaume-Uni respectivement, son extradition sera différée jusqu'à la fin du procès, et jusqu'après la pleine exécution de la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si, depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considérée comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe des agents diplomatiques respectifs des deux hautes parties contractantes.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne poursuivie.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant en Colombie que dans le Royaume-Uni, si, dans le délai de trente jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation. L'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans cet Etat, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.
4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté britannique pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par l'autorité consulaire principale de la république de la Colombie dans cette colonie ou possession.

Le gouverneur ou l'autorité supérieure mentionnée ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté britannique de faire, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies ou possessions étrangères pour l'extradition de criminels colombiens qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté britannique seront traités suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

La présente convention sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre pas plus d'un an ni moins de six mois à l'avance avis de son intention.

Le traité, après avoir reçu l'approbation du Congrès de la Colombie, sera ratifié, et les ratifications seront échangées à Bogotá, aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé la présente convention, et y ont apposé le cachet de leurs armes.

Fait en double, à Bogotá, le 27e jour d'octobre, dans l'année mil huit cent quatre-vingt-huit.

[L.S.] W. J. DICKSON.
[L.S.] VICENTE RESTREPO.

Et attendu que les ratifications du dit traité ont été échangées à Bogotá, le vingt-unième jour d'août mil huit cent quatre-vingt-neuf ;

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné que le et après le seizième jour de décembre mil huit cent quatre-vingt-neuf, les dits actes s'appliqueront dans le cas de la Colombie et du dit traité avec le Président de la République de la Colombie.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République de la Colombie et du dit traité, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait :

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Earl of Zetland,	Sir James Furgusson, Bart,
Secretary Lord Knutsford,	Sir James Caird.

WHEREAS by the Extradition Acts, 1870 and 1873, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's Dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient; and that if, by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order, suspend the operation within any such British possession of the said Acts, or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there, and no longer.

NOTICE TO MARINERS.

No. 1 of 1890.

PICTOU HARBOR RANGE LIGHTS.

Two range lights, established by the Government of Canada at the entrance to Pictou Harbour, on the Strait of Northumberland coast of the Province of Nova Scotia, were put in operation on the 25th December last, and will be maintained throughout the season of general navigation and at such time during the winter as any steamer may be running into Pictou Harbor.

Both lights are located on the farm of Alexander Fraser, on the north side of the entrance to Pictou Harbor, and both are fixed red lights shown from reflector lanterns hoisted on masts. They are only required to be visible for a distance of about 3 miles, in, and over a small arc on each side of, the alignment

The outer range light stands about 600 feet back from the shore, and is elevated 56 feet above high water mark. The mast is 15 feet high.

Lat. N. 45° 41' 50"
Long. W. 62° 40' 15"

The back range light is 450 feet N. W. by W. ¼ W. from the front one. It is elevated 75 feet above high water mark, the mast being 30 feet high.

This range is intended to show the direction of the channel between the Sand Spit off Pictou Bar light on the south and Murdoch's Shoal on the north. Vessels entering the harbor should follow the usual course, by keeping the Pictou Bar light in one with the light in the Custom House, W. ¼ N. until reaching the alignment of the Fraser's Farm range, which they should keep on a N. W. by W. ¼ W. course, until the Pictou Bar light is brought nearly abeam, whence a W. ½ S. course will lead to safe anchorage in the harbor.

This notice affects Admiralty Charts Nos. 1989, 2034, 2516, 2666 and 2670, and the substance of it should be entered in the Canadian List of Lights under the Nos. 337*a* and 337*b*.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, 3rd January, 1890.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 33–3

WARD'S POINT LIGHT.

Lat. N. 45° 43' 45"
Long. W. 64° 29' 40"

The light will be fixed white, elevated 72 feet above high water mark, and should be visible 10 miles over an arc of 208½ degrees between the bearings of E.N.E. round through South to S. W. ½ W. The illuminating apparatus is dioptric of small size.

The tower is a square wooden building, painted white. Its height from base to vane is 22 feet.

This notice affects Admiralty Charts Nos. 353, 354, 2516 and 2670, and the substance of it should be entered in the Canadian List of Lights under the No. 455*a*.

BRIGHTON BEACH RANGE LIGHTS.

Two range lights established by the Government of Canada on Brighton Beach, on the East side of the North River, in Charlottetown Harbor, on the Strait of Northumberland coast of Prince Edward Island, will be put in operation on the opening of general navigation in 1890, or sooner if required for the use of winter steamers, and will be maintained throughout the season of general navigation, and at such times in winter as any steamers are running to Charlottetown.

Both lights will be fixed red, shown from reflector lanterns hoisted on masts, with a diamond shaped slatwork beacon attached to the head of each mast as a day mark, and a shed at the foot; the whole painted white.

The front range mast stands upon the north-western corner of the breakwater of the Honorable G. W. Howlan's property, and is 40 feet high.

Lat. N. 46° 14' 5"
Long. W. 63° 8' 20"

The light should be visible for 7 miles over a small arc on each side of the alignment.

The back range mast stands on the old Asylum grounds, 1,275 feet due north from the front one, and is 42 feet high.

The light is elevated 72 feet above high water mark, and should be visible 9 miles over a small arc on each side of the alignment.

Vessels entering will keep the alignment of the Haszard's Point range until the Brighton Beach Range Lights are brought in one, when the course must be changed due north and the alignment kept until off Canseau Point, whence the course up the harbor may be judged by the town lights.

Note, that the intersection of the alignments is about half a mile south of the St. Peter's Spit buoy, and that vessels should not keep the Haszard's Point range until abreast of the St. Peter's spit buoy, as described in Notice to Mariners No. 50 of 1889, as it would lead them too close to Squaw Shoal. On the two alignments nowhere less than 5 fathoms should be found.

This Notice affects Admiralty Charts Nos. 1709, 1738, 2034 and 2666, and the substance of it should be

entered in the Canadian List of Lights and Fog Signals under the Nos. 308*c* and 308*d*.

PROPOSED CHANGE IN CHARACTER OF BEAVER ISLAND AND EGG ISLAND LIGHTS.

From and after the 15th June next the light on East Beaver Island, on the South, or Atlantic, coast of Nova Scotia, in the County of Halifax, will be changed from a bright light, revolving every two minutes, to a bright light revolving or showing a flash every 45 seconds.

Lat. N. 44° 49' 34"
Long. W. 62° 20' 10"

In all other respects the light and station will remain as heretofore.

From and after the 15th June next the light on Egg Island, on the same coast, will be changed from an alternating red and white light, showing a flash every minute, to a group-flashing white, or bright, light, showing three flashes, with intervals of 15 seconds between their points of greatest brilliancy, followed by an interval of 30 seconds, during the greater part of which interval the light will be totally eclipsed, the light thus completing a revolution in one minute.

Lat. N. 44° 39' 52"
Long. W. 62° 51' 32"

These changes are being made to obviate the risk of confusion between the two lights in question, and also to increase their efficiency.

This notice affects Admiralty Charts Nos. 729, 2396, 2439, 2624, 2663 and 2666, and Canadian List of Lights Nos. 389 and 392.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,	Lord Ashbourne,
Le comte de Zetland,	Sir James Furgusson, bart.,
Le secrét. lord Knutsford,	Sir James Caird.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par

arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par un arrêté en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, mais pas plus longtemps ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingt-septième jour d'octobre mil huit cent quatre-vingt-huit, entre Sa Majesté et le Président de la République de la Colombie, pour l'extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et le Président de la République de la Colombie, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, William John Dickson, écuyer, Son ministre résident près la République de la Colombie ; et

Son Excellence le Président de la République de la Colombie, Vicente Restrepo, ministre des Affaires Etrangères de la dite république ;

Lesquels, après s'être communiqué leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour l'un quelconque des crimes ou délits énumérés dans l'article II, et commis dans le territoire de l'une des parties, seraient trouvés dans le territoire de l'autre.

ARTICLE II.

L'extradition sera réciproquement accordée pour les crimes ou délits ci-dessous :—

1. Meurtre (y compris l'assassinat, le parricide, l'infanticide, l'empoisonnement), ou tentative de meurtre, ou complot ayant ce crime pour but.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Commerce charnel avec une jeune fille de moins de 16 ans, ou tentative à cet effet, si la preuve produite justifie la condamnation pour ces crimes d'après les lois des deux parties contractantes.
6. Attentat à la pudeur avec violence.
7. Séquestration ou détention illégale, vol d'enfants.
8. Enlèvement.
9. Bigamie.

10. Blessures ou graves lésions corporelles infligées avec mauvaises intentions.
11. Voies de fait, causant des lésions corporelles graves.
12. Menaces par lettre ou autrement, en vue d'extorquer de l'argent, ou autres choses de valeur.
13. Faux serment ou subornation de témoins.
14. Incendie volontaire.
15. Effraction ou escalade d'une habitation, vol avec violence, larcin ou détournement.
16. Fraude (abus de confiance) par un administrateur, banquier, agent, commissionnaire, curateur, directeur, membre ou fonctionnaire d'une société quelconque, pour autant que le fait est puni par les lois en vigueur.
17. Escroquerie d'argent, objets de valeur, ou autres effets sous de faux prétextes; recel d'argent, objets de valeur, ou autre propriété, sachant qu'ils ont été volés ou obtenus frauduleusement.

(b.) Faux, contrefaçon ou altération, ou mise en circulation de ce qui est falsifié, ou contrefait où altéré.

(c.) Faire sciemment, sans y être autorisé par la loi, un instrument, outil ou machine adapté et destiné à contrefaire l'argent monnayé ou le papier-monnaie des deux pays respectivement.

19. Crimes contre les lois sur la banqueroute.
20. Tout acte malicieux fait dans l'intention de mettre en danger la sûreté de toute personne voyageant sur un chemin de fer ou s'y trouvant.
21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.
22. Crimes commis sur la haute mer :—

(a.) Piraterie considérée comme crime d'après le droit des gens.

(b.) Submersion, échouement ou destruction d'un navire en mer, ou tentative ou complot ayant ce crime pour but.

(c.) Révolte ou complot de révolte par deux ou plusieurs personnes à bord d'un navire en haute mer, contre l'autorité du capitaine.

(d.) Attaque à bord d'un navire en haute mer dans le but d'homicide ou afin de porter de graves lésions corporelles.

23. Traite des esclaves telle qu'elle constitue une offense criminelle contre les lois des deux pays.

L'extradition aura également lieu pour complicité à un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'État requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté ou par le gouvernement de la Colombie, a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement, soit dans le territoire de la Colombie, soit dans le Royaume-Uni, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par le gouvernement de la Colombie est en état de prévention, pour tout autre crime commis dans le territoire de la Colombie ou dans le Royaume-Uni respectivement, son extradition sera différée jusqu'à la fin du procès, et jusqu'après la pleine exécution de la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si, depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considérée comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe des agents diplomatiques respectifs des deux hautes parties contractantes.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne poursuivie.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant en Colombie que dans le Royaume-Uni, si, dans le délai de trente jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation. L'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans cet Etat, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.
4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté britannique pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par l'autorité consulaire principale de la république de la Colombie dans cette colonie ou possession.

Le gouverneur ou l'autorité supérieure mentionnée ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté britannique de faire, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies ou possessions étrangères pour l'extradition de criminels colombiens qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté britannique seront traités suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

La présente convention sera exécutoire à dater du dixième jour après sa promulgation, dans les formes rescrites par les lois des deux hautes parties contrac- antes. Chacune des hautes parties contractantes ourra en tout temps mettre fin au traité en donnant l'autre pas plus d'un an ni moins de six mois à 'avance avis de son intention.

Le traité, après avoir reçu l'approbation du Congrès le la Colombie, sera ratifié, et les ratifications seront changées à Bogotá, aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont igné la présente convention, et y ont apposé le cachet le leurs armes.

Fait en double, à Bogotá, le 27e jour d'octobre, dans 'année mil huit cent quatre-vingt-huit.

[L.S.] W. J. DICKSON.
[L.S.] VICENTE RESTREPO.

Et attendu que les ratifications du dit traité ont été échangées à Bogotá, le vingt-unième jour d'août mil uit cent quatre-vingt-neuf ;

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confè- ent les dits actes cités, ordonne et il est par le présent rdonné que le et après le seizième jour de décembre nil huit cent quatre-vingt-neuf, les dits actes s'appliqueront dans le cas de la Colombie et du dit traité avec le Président de la République de la Colombie.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes d'extradition 1870 et 873 sera suspendue dans la Puissance du Canada, en ant qu'il s'agit de la République de la Colombie et du dit traité, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, 24e jour de février 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par les règlements établis pour le paiement de primes de pêches adoptés par le Gouverneur en conseil, le 26ème jour d'octobre 1889, il y est pourvu que les vaisseaux canadiens de dix tonneaux et au-dessus (jusqu'à 80 tonneaux) employés, pendant une période de trois mois, à faire la pêche en eau profonde auront droit à une prime de $1.50 par tonneau, dont une moitié sera payable au propriétaire ou propriétaires et l'autre moitié à l'équipage ;

Et attendu qu'une question s'est élevée dans le cas de la goëlette "Emma B" de Barrington, Nouvelle-Ecosse, qui a été employée à faire la pêche pendant une période de six mois, pendant l'année 1889, avec un équipage de vingt hommes, mais au bout de trois mois de pêche, huit hommes de l'équipage quittèrent le vaisseau, et furent remplacés par huit autres hommes, qui firent la pêche pendant les trois autres mois,—

Il plait maintenant à Son Excellence, en vertu de l'autorité à lui conférée par le chap. 96 des Statuts revisés, et par et de l'avis du Conseil Privé de la Reine pour le Canada, de déclarer que dans des cas semblables à celui ci-haut mentionnés, les dits règlements ne seront censés et de fait ne devront s'appliquer qu'à l'équipage qui sera à bord du vaisseau lors de la clôture de la saison de pêche.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

"The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

"If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

"A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

"ARTICLE IX.

"ARTICLE X.

"A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed, or the person convicted, in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. "ARTICLE XI.

"ARTICLE XII.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn deposition or statements of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact of a conviction, provided the same are authenticated as follows:—

"2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

"4. In every case, such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by law where the examination is taken may be substituted for the foregoing.

"ARTICLE XIII.

"If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

"ARTICLE XIV.

"If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

"ARTICLE XV.

"All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

"ARTICLE XVI.

"ARTICLE XVII.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,
Le comte de Zetland,
Le secrét. lord Knutsford,
Lord Ashbourne,
Sir James Furgusson, bart.,
Sir James Caird.

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et le Président de la République de la Colombie, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :

L'individu qui aura été livré ne pourra en aucun as, dans le pays auquel l'extradition a été accordée, tre maintenu en état d'arrestation ou poursuivi pour ucun crime ou faits autres que ceux qui avaient notivé l'extradition, à moins qu'il n'ait été réintégré u n'ait eu l'occasion de retourner de lui-même dans 'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes ommis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe des agents liplomatiques respectifs des deux hautes parties contractantes.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité ompétente de l'Etat requérant, et des preuves qui, l'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne poursuivie.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'État requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant en Colombie que dans le Royaume-Uni, si, dans le délai de trente jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation. L'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans cet Etat, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.

4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté britannique pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par l'autorité consulaire principale de la république de la Colombie dans cette colonie ou possession.

Le gouverneur ou l'autorité supérieure mentionnée ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté britannique de faire, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies ou possessions étrangères pour l'extradition de criminels colombiens qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté britannique seront traités suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

La présente convention sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre pas plus d'un an ni moins de six mois à l'avance avis de son intention.

Le traité, après avoir reçu l'approbation du Congrès de la Colombie, sera ratifié, et les ratifications seront échangées à Bogotá, aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé la présente convention, et y ont apposé le cachet de leurs armes.

Fait en double, à Bogotá, le 27e jour d'octobre, dans l'année mil huit cent quatre-vingt-huit.

[L.S.] W. J. DICKSON.
[L.S.] VICENTE RESTREPO.

Et attendu que les ratifications du dit traité ont été échangées à Bogotá, le vingt-unième jour d'août mil huit cent quatre-vingt-neuf ;

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, e tant qu'il s'agit de la République de la Colombie et d dit traité, tant que les dispositions de l'acte canadie de 1886 resteront en vigueur, et pas plus longtemps.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

"'Que vos pétitionnaires désirent que l'ordre en "'conseil passé sous l'empire de l'Acte de tempérance "'du Canada, le premier jour de juillet dans l'année

“ ‘of Our Lord one thousand eight hundred and eighty-six, declaring that the said Act would be in force and take effect in the said City of Portland upon, from and after the day on which the annual or semi-annual licenses for the sale of spirituous liquors then in force in said city would expire, providing such day were not less than ninety days from the day of the date thereof, and if less, then on the like day in the following year, and if there were no licenses in force in the said city, then the second part of said Act would become and be in force and take effect in the said city after the expiration of thirty days from the date thereof, be revoked after the expiration of three years after the day when the said second part of the Act was put in force in the said City of Portland, in virtue of the said Order in Council, that is to say, from and after the thirtieth day of April, in the year of Our Lord one thousand eight hundred and eighty-seven, being the day on which the annual licenses for the sale of spirituous liquors in said city expired.

“ ‘Therefore your petitioners humbly pray Your Excellency to be pleased to revoke by an Order in Council, under the authority in said Act, the Order in Council bearing date the first day of July, in the year of Our Lord one thousand eight hundred and eighty-six; and we desire that the votes of the electors of that section of the City of Saint John which was lately the City of Portland be taken for and against the revocation of the said Order in Council.’

“ And your petitioners as in duty bound will ever pray &c.”

AND WHEREAS the second part of the said Act was brought into force in the City of Portland (formerly so called in the Province of New Brunswick by an Order in Council dated the first day of July one thousand eight hundred and eighty-six;

AND WHEREAS it appearing by evidence to the satisfaction of the Governor General in Council that such notice had appended to it the genuine signatures of one-fourth or more of all the electors of the said City of Portland, in the Province of New Brunswick, (the number of the signatures to the notice proved to be genuine, being nine hundred and six), and that the other requirements of the law had been observed, an Order of the Governor General in Council was made on the twenty-seventh day of January last past, directing that the votes of all the electors of the said City of Portland be taken for and against the adoption of the said petition, and authorizing Our Secretary of State of Canada to fix the day on which the Poll for taking such votes should be held, and to name the Returning Officer for the purpose of taking on that day the votes of the electors and performing the other duties required by the Statute, and to fix the place where, and the day and hour when such Returning Officer should appoint persons to attend at the various polling places or stations and at the final summing up provided by the Act, and to fix the place where and the day and hour when the votes of the electors should be summed up and the result of the polling declared, and also ordering the issue of a Proclamation to that effect;

AND WHEREAS the dates and places for the purposes above mentioned having been fixed, a Proclamation under the Great Seal of Canada did issue, bearing date the twenty-seventh day of January last past, and purporting to proclaim and declare the dates and places so fixed for the purposes above mentioned;

AND WHEREAS in the said Proclamation the day on which the poll for taking the votes of the electors for and against the petition is to be held was through inadvertance stated to be Thursday the Thirteenth day of March then next, whereas such day should have been stated to be Thursday the Seventeenth day of April next:

NOW KNOW YE that We do hereby supersede, revoke, cancel and make void the said Proclamation of the Twenty-seventh day of January last past and every matter and thing therein contained;

AND KNOW YE, further, that by virtue of the authority vested in Us by the said Act and Order in Council, We do hereby proclaim and declare, that on Thursday, the seventeenth day of April next, a poll

“ ‘de Notre-Seigneur mil huit cent quatre-vingt-six, déclarant que le dit acte serait en vigueur et application dans la dite cité de Portland à compter du jour où expireraient les licences annuelles ou semi-annuelles alors en force dans la cité pour la vente des liqueurs spiritueuses, pourvu que ce jour fût au moins quatre-vingt-dix jours après la date du dit ordre en conseil, et si ce nombre de jours était moindre, ce serait alors à compter du même jour de l'année suivante, et s'il n'existait pas de licences en vigueur dans la dite cité, alors la deuxième partie du dit acte deviendrait en vigueur et en application dans la dite cité après l'expiration de trente jours à compter de sa date,—soit révoqué après l'expiration de trois ans qui suivront le jour où la dite deuxième partie de l'acte est devenu exécutoire dans la dite cité de Portland, en vertu du dit ordre en conseil, savoir, à compter du trentième jour d'avril de l'année de Notre Seigneur mil huit cent quatre-vingt-sept, étant le jour où expiraient les licences annuelles pour la vente des liqueurs spiritueuses dans la dite cité.

“ ‘C'est pourquoi vos pétitionnaires prient humblement qu'il plaise à Votre Excellence, par un ordre en conseil en vertu du dit acte, de révoquer l'ordre en conseil du premier jour de juillet de l'année de Notre-Seigneur mil huit cent quatre-vingt-six ; et nous désirons que les votes des électeurs de cette division de la cité de Saint-Jean qui constituait récemment la cité de Portland soient enregistrés pour et contre la révocation du dit ordre en conseil.’ Et vos pétitionnaires, comme de droit, ne cesseront de prier.”

Et attendu que la deuxième partie du dit Acte a été mise en vigueur dans la dite cité de Portland (ainsi appelée autrefois), dans la province du Nouveau-Brunswick, par un ordre en conseil en date du premier jour de juillet mil huit cent quatre-vingt-six ;

Et attendu que le Gouverneur général en conseil ayant été convaincu que cet avis était revêtu des signatures authentiques d'un quart ou plus de tous les électeurs de la dite cité de Portland, dans la province du Nouveau-Brunswick (il a été constaté que les signatures apposées à l'avis étaient des signatures authentiques au nombre de neuf cent six), et que les autres exigences de l'acte avaient été observées,—un ordre du Gouverneur général en conseil fut passé, ordonnant que les votes de tous les électeurs de la dite cité de Portland fussent enregistrés pour ou contre l'adoption de la dite pétition, et autorisant Notre Secrétaire d'Etat du Canada de fixer le jour auquel un poll serait tenu pour recevoir ces votes, et de nommer un officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs, et de remplir les autres devoirs exigés par la loi, et de fixer le lieu, le jour et l'heure où cet officier-rapporteur devra nommer les personnes qui devront se tenir aux différents bureaux de votation, et faire le décompte final des votes exigé par l'acte, et de fixer le lieu, le jour et l'heure où devra se faire le décompte des votes des électeurs, et faire rapport du résultat de la votation, et ordonnant aussi l'émission d'une proclamation à cet effet ;

Et attendu que les dates et les endroits pour les fins ci-dessus mentionnées ayant été fixés, une proclamation sous le grand sceau du Canada fut émise en date du vingt-septième jour de janvier dernier, laquelle était censée proclamer et déclarer les dates et endroits ainsi fixés pour les fins ci-dessus mentionnées ;

Et attendu que dans la dite proclamation le jour auquel le poll devait être tenu pour recevoir les votes des électeurs pour et contre la pétition fut, par inadvertance, annoncé être le jeudi le treizième jour de mars alors prochain, tandis que ce jour aurait dû être jeudi le dix-septième jour d'avril prochain ;

SACHEZ donc, que par la présente, Nous invalidons, révoquons, cancellons et rendons nulle la dite proclamation du vingt-septième jour de janvier dernier, et toute matière et chose y contenue ;

ET SACHEZ de plus qu'en vertu de l'autorité qui Nous est conférée par le dit acte et le dit ordre en conseil, Nous proclamons et déclarons par les présentes, que jeudi, le dix-septième jour d'avril prochain, un poll

will be held in the said City of Portland for taking the votes of the electors for and against the said petition; That such votes will be taken between the hours of nine o'clock in the forenoon, and five o'clock in the afternoon of that day and by ballot; That James A. Harding, Esquire, Sheriff of the County and City of St. John, in the Province of New Brunswick, has been appointed Returning Officer for the purpose of taking on that day the votes of the electors for and against the petition, and of afterwards summing up the same and making a return of the result to the Governor General in Council; That the said Returning Officer is empowered and required to appoint a Deputy Returning Officer at and for each polling place or station; That the Returning Officer will appoint persons to attend at the various polling stations and at the final summing up of votes, on behalf of the persons interested in and promoting or opposing, respectively, the adoption of the petition, at the Office of the said Sheriff of the said County and City of St. John, on Monday, the fourteenth day of April next, at ten of the clock in the forenoon. That the votes of the electors will be summed up and the result of the polling declared by the Returning Officer at the office of the said Sheriff on Monday, the twenty-first day of April next, at ten of the clock in the forenoon.

And in the event of the petition being adopted by the electors, the Governor General in Council may, at any time after the expiration of thirty days from the day on which the same was adopted, and after the expiration of three years from the day of the coming into force of the second part of the said Act, in the said City of Portland, under the said Order in Council dated the first day of July, one thousand eight hundred and eighty-six, by Order in Council published in the *Canada Gazette*, revoke the said Order in Council of the first day of July, one thousand eight hundred and eighty-six, by which the second part of "The Canada Temperance Act, 1878," was brought into force in the said City of Portland as therein mentioned.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. WITNESS, Our Right Trusty and Well-Beloved the Right Honourable Sir FREDERICK ARTHUR STANLEY, Baron Stanley of Preston, in the County of Lancaster, in the Peerage of the United Kingdom; Knight Grand Cross of Our Most Honorable Order of the Bath; Governor General of Canada.

Que le dit officier-rapporteur est autorisé et requis de nommer un sous-officier-rapporteur à et pour chaque bureau de votation. Que l'officier-rapporteur nommera les différentes personnes qui devront se tenir aux différents bureaux de votation, et qui devront faire le décompte final des votes, au nom des personnes autorisées à favoriser ou à s'opposer respectivement à l'adoption de la pétition, au bureau du dit shérif des dits comté et cité de Saint-Jean, lundi, le quatorzième jour d'avril prochain, à dix heures de l'avant-midi.

be totally eclipsed ; the light thus completing a revolution in 50 seconds.

Long. W. 69° 32' 56"

In all other respects the light and station will remain as heretofore.

HATFIELD'S POINT RANGE LIGHTS.

Two range lights, established by the Government of Canada, near Hatfield's Point, on the west side of Belle-Isle Bay, in King's County, New Brunswick, will be put in operation on the opening of navigation this year.

These lights stand at the head of the dredged channel leading from the main waters of Belleisle Bay to the public landing, and are for the purpose of leading up to and through this dredged channel.

The front light is fixed red, shown from a lantern hoisted on a mast 20 feet high. It is elevated 25 feet above high water mark, and should be visible two miles in the line of range.

Lat. N. 45° 39' 50"
Long. W. 65° 57' 0"

The back light stands 160 feet north by east ¾ east from the front one, and is shown from a lantern attached to the end of Mr. Israel Noble's dwelling house by a bracket, at an elevation of 17 feet above the ground. The dwelling is a square wooden building, painted wite.

The light is fixed white, elevated 26 feet above high water mark, and should be visible two miles in the alignment.

The alignment shows the centre of the dredged channel, north by east ¾ east, at the outer end of which, on the port side, a black can buoy is moored. Both sides of the channel from the buoy to the public landing, are marked by bushes.

This notice affects Admiralty Chart No. 2670, and the substance of it should be entered in the Canadian List of Lights under the Nos. 465*b* and 465*c*. Palmer's Landing light being re-numbered 465*d*.

LIGHTS, BUOYS, ETC., IN THE RIVER DETROIT

In consequence of the very low water of the past two seasons and the increasing size of American freight steamers, it has been found necessary to buoy some additional shoals in the Canadian channel of the River Detroit near Amherstburg, and to establish certain private lights, all which are herein described.

The geographical positions are taken from the United States of America Government Chart of the Detroit River.

This notice affects Admiralty Charts Nos. 332, 490 and 678.

I. BAR POINT LIGHTSHIP.

A lightship, established on the opening of navigation in 1889, and maintained by subscription amongst American vessel owners, is moored in 16 feet water on the eastern edge of the shoals on the west side and near the narrowest point of the channel off Bar Point, between the American and Bois Blanc lights.

Lat. N. 42° 1' 17"
Long. W. 83° 8' 30"

The lightship is painted grey with white bulwarks, with the words "Bar Point Lightship" in black letters on the bulwarks.

Two lights are shown from small lenticular lanterns, hoisted in a frame amidships, 7 feet apart vertically.

The upper light is fixed red, elevated 27 feet above the water, and should be visible 7 miles all around the horizon.

The lower light is fixed white, elevated 20 feet above the water, and should be visible 9 miles all around the horizon.

The substance of this should be entered in the Canadian List of Lights under the No. 208.

II. AMHERSTBURG RANGE LIGHTS.

Two range lights were established by the Lake Carriers' Association of Buffalo, on the first of September, 1889, south of the Village of Amherstburg, to guide through the deepest channel from off Bar Point to Bois Blanc lighthouse.

The towers are skeleton framed, square, wooden buildings, with the side facing the line of range, in each, slatted and painted to make them more conspicuous day marks.

The front tower stands on the east bank of the river, about 2,300 feet north of Fraser's Dock, and about 2,000 feet south of the Post Office. It stands about 80 feet back from the water's edge, on ground about 8 feet above the water.

Lat. N. 42° 5' 47"
Long. W. 83° 6' 41"

The light is fixed red, shown from a small reflector lantern hoisted to the top of the skeleton tower. It is elevated 56 feet above the level of the water and should be visible 8 miles in the line of range.

The tower is 50 feet high and is painted white.

The back tower stands 475 feet north 16° 30' east from the front one and about 170 feet east from the river's edge. It is 80 feet high and is painted red. It stands on ground elevated about 2 feet above the water.

The light is in every respect similar to the front one, and is at an elevation of 80 feet above the water.

The substance of this should be entered in the Canadian List of Lights under the Nos. 210 and 210*a*, the range at the head of Bois Blanc being renumbered 211 and 211*a*.

III. HEAD OF BOIS BLANC ISLAND RANGE LIGHTS.

The back range tower of this range was burnt down on the night of the 7th August, 1889, and since that time the light has been shown temporarily from a reflector lantern hoisted on a mast, at an elevation of 45 feet above the water. The mast is surmounted by a barrel, to make it more conspicuous as a day mark. It is 33 feet high, and with the barrel, is painted red.

The front light of this range has always been fixed white, and the back one fixed red.

The substance of this to be entered in the Canadian List of Lights and this range is to be renumbered 211 and 211*a*.

IV. LIMEKILN CROSSING RANGE LIST.

Two range lights, established by the Government of the United States of America in 1886, in connection with the rock dredging of the Limekiln Crossing, which cut is opposite the Amherstburg Railway Station, were

taken over by the Canadian Government on the opening of navigation in 1888, and have since been regularly maintained.

The lights are below the dredged channel, and the alignment leads through it 150 feet from, and parallel to, its eastern edge. They consist temporarily of reflector lanterns hoisted on masts, which have small slats nailed across them to make them more conspicuous as day marks, and it is intended to replace them by permanent buildings in the alignment of the center of the dredged channel, which will be 70 feet westward of the present line.

The front light stands on a pier built on the shoal opposite Fort Malden on the east, and the head of Bois Blanc Island on the west, above Amherstburg.

Lat. N. 42° 6' 25"
Long. W. 83° 6' 50"

The light is fixed white, elevated 20 feet above the water, and should be visible 2 miles in the line of range. The mast is 17 feet high.

The back range mast is 780 feet south ⅛ east from the front light, on the bank of the river, and is 30 feet high. The light is fixed red, elevated 28 feet above the water, and should be visible 2 miles in the line of range.

The alignment of these lights can be kept from its intersection with the alignment of the Head of Bois Blanc Island range up to opposite the Limekiln Dock.

The substance of this should be entered in the Canadian List of Lights under the Nos. 211*b* and 211*c*.

V. FLOATING LIGHTS IN LIMEKILN CROSSING.

A lantern showing a white light, at an elevation of 5½ feet above the water, suspended from a frame on a small scow, is exhibited by the contractor for the rock dredging at the upper end, and a similar one at the lower end of the Limekiln Crossing, to indicate the western edge of the completed portion of the dredged channel. These are mere temporary lights, are moved as the exigencies of the dredging may require, and will probably be abolished when the work is completed.

VI. FORT MALDEN RANGE LIGHTS.

Two range lights, maintained by subscription amongst vessel owners interested, were established during the season of 1889, north of the Village of Amherstburg, to show the best channel clear of shoals from the head of the Limekiln Crossing Cut to the foot of Fighting Island.

The towers are skeleton framed wooden buildings, with the side facing the line of range in each slatted and painted to make them more conspicuous day marks.

The front tower stands on the edge of the bank on the east side of the river, about 2,000 feet south of the Railway Station, and abreast of the lower end of the Limekiln Crossing Cut.

Lat. N. 42° 6' 52"
Long. W. 83° 6' 40"

The light is fixed white, shown from a small reflector lantern hoisted to the top of the skeleton tower. It is elevated 75 feet above the level of the water, and should be visible 6 miles in the line of range. The tower is 50 feet high and is painted white.

The back tower stands on the east side of the street 646 feet S. 18° 45' E. from the front one. It is 80 feet high and is painted red. The light is fixed red, shown from a lantern similar to the front one, and should be visible the same distance. It is at an elevation of 108 feet above the water.

The substance of this should be entered in the Canadian List of Lights under the Nos. 212 and 212*a*, the Thames River Lights being renumbered 213.

VII. TEXAS DOCK RANGE LIGHTS.

Two range lights have been maintained for some years past by Messrs. Duff & Gatfield, local pilots, to suit their own convenience, at Texas Dock, on or nearly on, the same alignment as the Limekiln Crossing range. They consist of reflector lanterns hoisted on masts, to which are attached small slats, to make them more conspicuous as day beacons.

The front light is fixed red and is elevated 35 feet above the water; it should be visible two miles in the line of range. The mast is 28 feet high and stands upon the lower end of the old railway transfer slip at Texas Dock.

Lat. N. 42° 7' 30"
Long. W. 83° 6' 49"

The back light is fixed white elevated 60 feet above the water and should also be visible 2 miles in the line of range. The mast is 40 feet high and stands 375 feet N. ⅛ W. from the front light, on top of the bank immediately north of Texas Dock.

The substance of this should be entered in the Canadian List of Lights under the Nos. 212 *b* and 212 *c*.

VIII. SHOALS AND BUOYS IN THE RIVER DETROIT.

Four shoal spots have been reported and buoyed in the Canadian Channel of the River Detroit, near Amherstburg, which are not clearly defined on existing charts.

(*a.*) A shoal with 15 feet water in the middle of the channel opposite the black barrel buoy, on the tail of Bois Blanc Island shoal. From this shoal Bois Blanc lighthouse bears N. ½ E., Bar Point S. ¾ E., Foot of Hickory Island W. by N. ¾ N., and the north end of Fox Island N. W. by N. ¾ N.

This shoal is marked by a middle ground spar buoy painted red and black in horizontal bands.

(*b.*) A shoal with 12 feet water, locally known as the "Boston" shoal, on the west side of the river, immediately opposite Fraser's Dock, and 500 feet from the Bois Blanc Island shore. From the buoy which marks it, the Bois Blanc Lighthouse bears S. 35° W., the upper end of Fraser's Dock N. 65° E., and the lower end N. 85° E.

This shoal is marked by a black spar buoy moored near its upper end and outside edge.

(*c.*) A shoal with 13½ feet water, locally known as the "Spokane" shoal, located 260 feet from the Amherstburg shore, and about 800 feet north of Fraser's Dock, with 18 feet water between it and the shore.

From the outside edge of this shoal, Bois Blanc Island lighthouse bears S. W. by S. ¼ S.; the N. W. corner of Fraser's Dock S. by E. ¼ E.; the north end of Amherstburg Dock N. ¼ W.; the N. E. point of Bois Blanc Island, N. by W. ¾ W.

This shoal is marked by a red spar buoy.

(*d.*) A shoal with 14 feet water, locally known as the "Milwaukee" shoal, extending out about 500 feet north-eastwardly from the shore line at the head of Bois Blanc Island. This shoal is marked by a black spar buoy.

(*e.*) On the following page is given a complete list of buoys now maintained by the Canadian Goverment in the River Detroit.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Deputy Minister of Marine, Ottawa, Canada.

NEW BACK TOWER FOR ISLE STE. THÉRÈSE LOWER RANGE.

The back tower of the lower range on Isle Ste. Thérèse, River St. Lawrence below Montreal, in the County of Hochelaga and Province of Quebec, was destroyed by fire on the 22nd August last. A temporary light consisting of a lantern hoisted on a pole has since been maintained. A new lighthouse having now been erected will be put in operation on the opening of navigation this year.

The light will be, as heretofore, fixed white, and the illuminating apparatus catoptric.

The light will be elevated 48 feet above the ordinary level of the river, and should be visible 12 miles in, and over a small arc on each side of, the alignment.

The tower is a square wooden building painted white, and is 42 feet in height from the ground to the vane on the lantern.

The front range light building stands close to the water's edge, on the north-east shore of the Island, and is distant 600 feet N. 50° E. from the back light.

Lat. N. 45° 41' 22"
Long. W. 73° 27' 43"

The light is fixed white, catoptric, elevated 29 feet above the ordinary level of the river, and should be visible 10 miles over a similar arc to the back light.

The building consists of a wooden lantern painted white, standing upon an open post foundation.

The height from the ground to the vane on the lantern is 22 feet.

The two lights in range south 50 degrees west lead through the centre of the dredged channel, from the vicinity of Cap St. Michel.

This Notice affects Admiralty Charts Nos. 797, 2,777, and 2,830b, and Canadian List of Lights No. 106.

I.—DISCONTINUANCE OF ETANG DU NORD FOG ALARM.

It has been found that the Steam Fog Whistle heretofore maintained at Etang du Nord, Grindstone Island, Magdalen Islands, in the Gulf of St. Lawrence, is so located that vessels cannot hear it until they are in dangerous proximity to the outlying reefs in that vicinity.

Lat. N. 47° 23' 30"
Long. W. 61° 57' 0"

It has consequently been decided to discontinue it from and after the opening of navigation this spring.

This Notice affects Admiralty Charts Nos. 1134 and 2666, and Canadian List of Lights and Fog Signals No. 13.

II.—DISCONTINUANCE OF RED SECTOR IN BLOCKHOUSE POINT LIGHT.

In consequence of the establishment of the Haszard's Point range lights, the streak of red light shown from a window of the Blockhouse Point lighthouse, on the western side of the entrance to Charlottetown Harbor, on the Strait of Northumberland coast of Prince Edward Island, which indicated the direction of the bell buoy from the lighthouse, is no longer required, and will therefore be discontinued from the opening of navigation this spring.

ROBT. SEDGEWICK,
Député du ministre de

ATTENDU qu'en vertu des dispositions de l'Acte de tempérance du Canada, l'avis suivant fut adressé au Secrétaire d'Etat pour le Canada, accompagné de la pétition ci-jointe :—

"A l'honorable Secrétaire d'Etat du Canada,—

"MONSIEUR,—Nous, soussignés, électeurs de la "division de la cité de Saint-Jean, qui constituait "récemment la cité de Portland, et dans laquelle cité "de Portland l'Acte de tempérance du Canada est "maintenant en vigueur en vertu d'un ordre en "conseil daté du 1er juillet 1886, vous prions de "prendre connaissance que nous désirons présenter la

“pétition ci-dessous à Son Excellence le Gouverneur “général, savoir :

“‘A Son Excellence le Gouverneur général du “‘Canada en conseil,—

“‘La pétition des soussignés, électeurs de la division “‘de la cité de Saint-Jean, qui constituait récemment “‘la cité de Portland, dans les cité et comté de Saint- “‘Jean, et province du Nouveau-Brunswick, et dans “‘laquelle cité de Portland l'Acte de tempérance du “‘Canada est maintenant en vigueur en vertu d'un “‘ordre en conseil daté du 1er juillet 1886, ayant qua- “‘lité et capacité pour voter à l'élection d'un membre “‘de la Chambre des Communes dans les dits comté “‘et cité,—Expose respectueusement,—

“‘Que vos pétitionnaires désirent que l'ordre en “‘conseil passé sous l'empire de l'Acte de tempérance “‘du Canada, le premier jour de juillet dans l'année “‘de Notre-Seigneur mil huit cent quatre-vingt-six, “‘déclarant que le dit acte serait en vigueur et appli- “‘cation dans la dite cité de Portland à compter du “‘jour où expireraient les licences annuelles ou semi- “‘annuelles alors en force dans la cité pour la “‘vente des liqueurs spiritueuses, pourvu que ce “‘jour fût au moins quatre-vingt-dix jours après “‘la date du dit ordre en conseil, et si ce nombre de “‘jours était moindre, ce serait alors à compter du “‘même jour de l'année suivante, et s'il n'existait pas “‘de licences en vigueur dans la dite cité, alors la “‘deuxième partie du dit acte deviendrait en vigueur “‘et en application dans la dite cité après l'expiration “‘de trente jours à compter de sa date,—soit révoqué “‘après l'expiration de trois ans qui suivront le jour “‘où la dite deuxième partie de l'acte est devenu “‘exécutoire dans la dite cité de Portland, en vertu du “‘dit ordre en conseil, savoir, à compter du tren- “‘tième jour d'avril de l'année de Notre Seigneur “‘mil huit cent quatre-vingt-sept, étant le jour où “‘expiraient les licences annuelles pour la vente des “‘liqueurs spiritueuses dans la dite cité.

“‘C'est pourquoi vos pétitionnaires prient humble- “‘ment qu'il plaise à Votre Excellence, par un ordre “‘en conseil en vertu du dit acte, de révoquer l'ordre “‘en conseil du premier jour de juillet de l'année de “‘Notre-Seigneur mil huit cent quatre-vingt-six ; et “‘nous désirons que les votes des électeurs de cette “‘division de la cité de Saint-Jean qui constituait “‘récemment la cité de Portland soient enregistrés “‘pour et contre la révocation du dit ordre en con- “‘seil.’ Et vos pétitionnaires, comme de droit, ne “cesseront de prier.”

Et attendu que la deuxième partie du dit Acte a été mise en vigueur dans la dite cité de Portland (ainsi appelée autrefois), dans la province du Nouveau-Brunswick, par un ordre en conseil en date du premier jour de juillet mil huit cent quatre-vingt-six ;

Et attendu que le Gouverneur général en conseil ayant été convaincu que cet avis était revêtu des signatures authentiques d'un quart ou plus de tous les électeurs de la dite cité de Portland, dans la province du Nouveau-Brunswick (il a été constaté que les signatures apposées à l'avis étaient des signatures authentiques au nombre de neuf cent six), et que les autres exigences de l'acte avaient été observées,—un ordre du Gouverneur général en conseil fut passé, ordonnant que les votes de tous les électeurs de la dite cité de Portland fussent enregistrés pour ou contre l'adoption de la dite pétition, et autorisant Notre Secrétaire d'Etat du Canada de fixer le jour auquel un poll serait tenu pour recevoir ces votes, et de nommer un officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs, et de remplir les autres devoirs exigés par la loi, et de fixer le lieu, le jour et l'heure où cet officier-rapporteur devra nommer les personnes qui devront se tenir aux différents bureaux de votation, et faire le décompte final des votes exigé par l'acte, et de fixer le lieu, le jour et l'heure où devra se faire le décompte des votes des électeurs, et faire rapport du résultat de la votation, et ordonnant aussi l'émission d'une proclamation à cet effet ;

Et attendu que les dates et les endroits pour les fins ci-dessus mentionnées ayant été fixés, une proclamation sous le grand sceau du Canada fut émise en date du vingt-septième jour de janvier dernier, laquelle était censée proclamer et déclarer les dates et endroits ainsi fixés pour les fins ci-dessus mentionnées ;

Et attendu que dans la dite proclamation le jour auquel le poll devait être tenu pour recevoir les votes des électeurs pour et contre la pétition fut, par inadvertance, annoncé être le jeudi le treizième jour de mars alors prochain, tandis que ce jour aurait dû être jeudi le dix-septième jour d'avril prochain ;

Sachez donc, que par la présente, Nous invalidons, révoquons, cancellons et rendons nulle la dite proclamation du vingt-septième jour de janvier dernier, et toute matière et chose y contenue ;

Et sachez de plus qu'en vertu de l'autorité qui Nous est conférée par le dit acte et le dit ordre en conseil, Nous proclamons et déclarons par les présentes, que jeudi, le dix-septième jour d'avril prochain, un poll sera tenu dans la dite cité de Portland pour y recevoir les votes des électeurs pour et contre la dite pétition. Que ces votes seront enregistrés au scrutin secret depuis neuf heures du matin jusqu'à cinq heures de l'après-midi de ce jour-là. Que James A. Harding, écuyer, shérif des comté et cité de Saint-Jean, dans la province du Nouveau-Brunswick, a été nommé officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs pour et contre la pétition, de compter ensuite les votes, et puis de faire rapport du résultat au Gouverneur général en conseil. Que le dit officier-rapporteur est autorisé et requis de nommer un sous-officier-rapporteur à et pour chaque bureau de votation. Que l'officier-rapporteur nommera les différentes personnes qui devront se tenir aux différents bureaux de votation, et qui devront faire le décompte final des votes, au nom des personnes autorisées à favoriser ou à s'opposer respectivement à l'adoption de la pétition, au bureau du dit shérif des dits comté et cité de Saint-Jean, lundi, le quatorzième jour d'avril prochain, à dix heures de l'avant-midi.

Que les votes des électeurs seront comptés, et le résultat de la votation annoncé par l'officier-rapporteur au bureau du dit shérif, lundi, le vingt-unième jour d'avril prochain, à dix heures du matin.

Et que dans le cas où la pétition serait adoptée par les électeurs, le Gouverneur général en conseil pourra, en tout temps après l'expiration d'une période de trente jours depuis la date de l'adoption de la dite pétition, et après l'expiration de trois années à compter du jour de l'entrée en vigueur de la deuxième partie du dit acte, dans la dite cité de Portland en vertu du dit ordre en conseil en date du premier jour de juillet 1886, par un ordre en conseil publié dans la *Gazette du Canada* révoquer le dit ordre en conseil du premier jour de juillet mil huit cent quatre-vingt-six, par lequel la deuxième partie de l'Acte de tempérance du Canada, 1878, devenait exécutoire dans la dite cité de Portland, tel que y mentionné.

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

En foi de quoi, Nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. Témoin, Notre très fidèle et bien aimé le Très-honorable Sir Frederick Arthur Stanley, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain ; Gouverneur-général du Canada et Vice-amiral d'icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce DIXIÈME jour de MARS, dans l'année de Notre-Seigneur, mil huit cent quatre-vingt-dix, et de Notre Règne la cinquante-troisième.

Par ordre,

J. A. CHAPLEAU,
Secrétaire d'Etat.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par les règlements établis pour le paiement de primes de pêches adoptés par le Gouverneur en conseil, le 26ème jour d'octobre 1889, il y est pourvu que les vaisseaux canadiens de dix tonneaux et au-dessus (jusqu'à 80 tonneaux) employés, pendant une période de trois mois, à faire la pêche en eau profonde auront droit à une prime de $1.50 par tonneau, dont une moitié sera payable au propriétaire ou propriétaires et l'autre moitié à l'équipage ;

Et attendu qu'une question s'est élevée dans le cas de la goëlette "Emma B" de Barrington, Nouvelle-Ecosse, qui a été employée à faire la pêche pendant une période de six mois, pendant l'année 1889, avec un équipage de vingt hommes, mais au bout de trois mois de pêche, huit hommes de l'équipage quittèrent le vaisseau, et furent remplacés par huit autres hommes, qui firent la pêche pendant les trois autres mois,—

Il plait maintenant à Son Excellence, en vertu de l'autorité à lui conférée par le chap. 96 des Statuts revisés, et par et de l'avis du Conseil Privé de la Reine pour le Canada, de déclarer que dans des cas semblables à celui ci-haut mentionnés, les dits règlements ne seront censés et de fait ne devront s'appliquer qu'à l'équipage qui sera à bord du vaisseau lors de la clôture de la saison de pêche.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. WHEREAS in pursuance of the provisions of the Canada Temperance Act, the following notice was addressed to the Secretary of State for Canada, embodying the petition therein set forth :

"To the Honorable the Secretary of State of the
"Dominion of Canada :

"SIR,—We, the subscribers hereto, being electors of
"the section of the City of Saint John, which was lately
"the City of Portland, and in which City of Portland
"the Canada Temperance Act is now in force by
"virtue of an Order in Council dated 1st July, 1886,
"pray you to take notice that we desire to present the

"following petition to His Excellency the Governor General, that is to say:—

"'To His Excellency the Governor General of the Dominion of Canada in Council:

"'The petition of the subscribers hereto electors of the section of the City of Saint John, which was lately the City of Portland, in the City and County of Saint John and Province of New Brunswick, and in which City of Portland the Canada Temperance Act is now in force by virtue of an Order in Council dated 1st July, 1886, being duly qualified to vote at the election of a member of the House of Commons in the said City and County, respectfully sheweth—

"'That your petitioners desire that the Order in Council passed under the authority of the Canada Temperance Act, on the first day of July in the year of Our Lord one thousand eight hundred and eighty-six, declaring that the said Act would be in force and take effect in the said City of Portland upon, from and after the day on which the annual or semi-annual licenses for the sale of spirituous liquors then in force in said city would expire, providing such day were not less than ninety days from the day of the date thereof, and if less, then on the like day in the following year, and if there were no licenses in force in the said city, then the second part of said Act would become and be in force and take effect in the said city after the expiration of thirty days from the date thereof, be revoked after the expiration of three years after the day when the said second part of the Act was put in force in the said City of Portland, in virtue of the said Order in Council, that is to say, from and after the thirtieth day of April, in the year of Our Lord one thousand eight hundred and eighty-seven, being the day on which the annual licenses for the sale of spirituous liquors in said city expired.

"'Therefore your petitioners humbly pray Your Excellency to be pleased to revoke by an Order in Council, under the authority in said Act, the Order in Council bearing date the first day of July, in the year of Our Lord one thousand eight hundred and eighty-six; and we desire that the votes of the electors of that section of the City of Saint John which was lately the City of Portland be taken for and against the revocation of the said Order in Council.'

"And your petitioners as in duty bound will ever pray &c."

And whereas the second part of the said Act was brought into force in the City of Portland (formerly so called in the Province of New Brunswick by an Order in Council dated the first day of July one thousand eight hundred and eighty-six;

And whereas it appearing by evidence to the satisfaction of the Governor General in Council that such notice had appended to it the genuine signatures of one-fourth or more of all the electors of the said City of Portland, in the Province of New Brunswick, (the number of the signatures to the notice proved to be genuine, being nine hundred and six), and that the other requirements of the law had been observed, an Order of the Governor General in Council was made on the twenty-seventh day of January last past, directing that the votes of all the electors of the said City of Portland be taken for and against the adoption of the said petition, and authorizing Our Secretary of State of Canada to fix the day on which the Poll for taking such votes should be held, and to name the Returning Officer for the purpose of taking on that day the votes of the electors and performing the other duties required by the Statute, and to fix the place where, and the day and hour when such Returning Officer should appoint persons to attend at the various polling places or stations and at the final summing up provided by the Act, and to fix the place where and the day and hour when the votes of the electors should be summed up and the result of the polling declared, and also ordering the issue of a Proclamation to that effect;

And whereas the dates and places for the purposes above mentioned having been fixed, a Proclamation under the Great Seal of Canada did issue, bearing date the twenty-seventh day of January last past, and purporting to proclaim and declare the dates and places so fixed for the purposes above mentioned;

And whereas in the said Proclamation the day on which the poll for taking the votes of the electors for and against the petition is to be held was through inadvertance stated to be Thursday the Thirteenth day of March then next, whereas such day should have been stated to be Thursday the Seventeenth day of April next:

Now Know Ye that We do hereby supersede, revoke, cancel and make void the said Proclamation of the Twenty-seventh day of January last past and every matter and thing therein contained;

And Know Ye, further, that by virtue of the authority vested in Us by the said Act and Order in Council, We do hereby proclaim and declare, that on Thursday, the seventeenth day of April next, a poll will be held in the said City of Portland for taking the votes of the electors for and against the said petition; That such votes will be taken between the hours of nine o'clock in the forenoon, and five o'clock in the afternoon of that day and by ballot; That James A. Harding, Esquire, Sheriff of the County and City of St. John, in the Province of New Brunswick, has been appointed Returning Officer for the purpose of taking on that day the votes of the electors for and against the petition, and of afterwards summing up the same and making a return of the result to the Governor General in Council; That the said Returning Officer is empowered and required to appoint a Deputy Returning Officer at and for each polling place or station; That the Returning Officer will appoint persons to attend at the various polling stations and at the final summing up of votes, on behalf of the persons interested in and promoting or opposing, respectively, the adoption of the petition, at the Office of the said Sheriff of the said County and City of St. John, on Monday, the fourteenth day of April next, at ten of the clock in the forenoon. That the votes of the electors will be summed up and the result of the polling declared by the Returning Officer at the office of the said Sheriff on Monday, the twenty-first day of April next, at ten of the clock in the forenoon.

And in the event of the petition being adopted by the electors, the Governor General in Council may, at any time after the expiration of thirty days from the day on which the same was adopted, and after the expiration of three years from the day of the coming into force of the second part of the said Act, in the said City of Portland, under the said Order in Council dated the first day of July, one thousand eight hundred and eighty-six, by Order in Council published in the *Canada Gazette*, revoke the said Order in Council of the first day of July, one thousand eight hundred and eighty-six, by which the second part of "The Canada Temperance Act, 1878," was brought into force in the said City of Portland as therein mentioned.

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

In Testimony Whereof, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. Witness, Our Right Trusty and Well-Beloved the Right Honourable Sir Frederick Arthur Stanley, Baron Stanley of Preston, in the County of Lancaster, in the Peerage of the United Kingdom; Knight Grand Cross of Our Most Honorable Order of the Bath; Governor General of Canada.

Sec. 65. No scow, barge, or other vessel, shall be allowed to take on or deliver freight, while in either the lock or canal, under a penalty of five dollars for each offence; except that passenger steamers may have the privilege of taking in fuel, landing or taking in freight, when in the canal. Provided, that no longer time is occupied in so doing than one half hour, and no detention is caused thereby to any other vessel.

Sec. 66. In case of two vessels approaching from opposite directions, about the same time, the one ascending shall stop, or tie up opposite a fixed point (to be designated by the lockmaster) and there remain until the other shall have passed through, under a penalty of five dollars for each offence against this regulation.

Sec. 67. In any case where logs are taken down to the saw-mill in operation on the north side of the lock, the rafts of which they form a part must be separated in the bay above the entrance ; and no more than two logs abreast of each other shall be sent down or allowed to accumulate in any part of the canal at one time ; neither shall there be in the whole canal at any one time more logs than the basin built for their reception can accommodate, and no "floats," "traverses," or "withes," shall be allowed to enter the canal whether separated from or connected with the logs intended for the saw-mill ; and any bark, slabs, edgings or other obstructions found in the lock or approaches to it, known to have emanated from the mill or the handling of the logs for it, shall be removed at the mill-owner's expense, who shall, in addition, be fined the sum of five dollars for each time such occurrence takes place.

HATFIELD'S POINT RANGE LIGHTS.

Two range lights, established by the Government of Canada, near Hatfield's Point, on the west side of Belle-Isle Bay, in King's County, New Brunswick, will be put in operation on the opening of navigation this year.

These lights stand at the head of the dredged channel leading from the main waters of Belleisle Bay to the public landing, and are for the purpose of leading up to and through this dredged channel.

The front light is fixed red, shown from a lantern hoisted on a mast 20 feet high. It is elevated 25 feet above high water mark, and should be visible two miles in the line of range.

Lat. N. 45° 39’ 50”
Long. W. 65° 57’ 0”

The back light stands 160 feet north by east ¾ east from the front one, and is shown from a lantern attached to the end of Mr. Israel Noble's dwelling house by a bracket, at an elevation of 17 feet above the ground. The dwelling is a square wooden building, painted wite.

The light is fixed white, elevated 26 feet above high water mark, and should be visible two miles in the alignment.

The alignment shows the centre of the dredged channel, north by east ¾ east, at the outer end of which, on the port side, a black can buoy is moored. Both sides of the channel from the buoy to the public landing, are marked by bushes.

LIGHTS, BUOYS, ETC., IN THE RIVER DETROIT

In consequence of the very low water of the past two seasons and the increasing size of American freight steamers, it has been found necessary to buoy some additional shoals in the Canadian channel of the River Detroit near Amherstburg, and to establish certain private lights, all which are herein described.

The geographical positions are taken from the United States of America Government Chart of the Detroit River.

This notice affects Admiralty Charts Nos. 332, 490 and 678.

I. BAR POINT LIGHTSHIP.

A lightship, established on the opening of navigation in 1889, and maintained by subscription amongst American vessel owners, is moored in 16 feet water on the eastern edge of the shoals on the west side and near the narrowest point of the channel off Bar Point, between the American and Bois Blanc lights.

Lat. N. 42° 1’ 17”
Long. W. 83° 8’ 30”

The lightship is painted grey with white bulwarks, with the words “ Bar Point Lightship ” in black letters on the bulwarks.

Two lights are shown from small lenticular lanterns, hoisted in a frame amidships, 7 feet apart vertically.

The upper light is fixed red, elevated 27 feet above the water, and should be visible 7 miles all around the horizon.

The lower light is fixed white, elevated 20 feet above the water, and should be visible 9 miles all around the horizon.

The substance of this should be entered in the Canadian List of Lights under the No. 208.

II. AMHERSTBURG RANGE LIGHTS.

Two range lights were established by the Lake Carriers' Association of Buffalo, on the first of September, 1889, south of the Village of Amherstburg, to guide through the deepest channel from off Bar Point to Bois Blanc lighthouse.

The towers are skeleton framed, square, wooden buildings, with the side facing the line of range, in each, slatted and painted to make them more conspicuous day marks.

The front tower stands on the east bank of the river, about 2,300 feet north of Fraser's Dock, and about 2,000 feet south of the Post Office. It stands about 80 feet back from the water's edge, on ground about 8 feet above the water.

Lat. N. 42° 5’ 47”
Long. W. 83° 6’ 41”

The light is fixed red, shown from a small reflector lantern hoisted to the top of the skeleton tower. It is elevated 56 feet above the level of the water and should be visible 8 miles in the line of range.

The tower is 50 feet high and is painted white.

The back tower stands 475 feet north 16° 30’ east from the front one and about 170 feet east from the river's edge. It is 80 feet high and is painted red. It stands on ground elevated about 2 feet above the water.

The light is in every respect similar to the front one, and is at an elevation of 80 feet above the water.

The substance of this should be entered in the Canadian List of Lights under the Nos. 210 and 210*a*, the range at the head of Bois Blanc being renumbered 211 and 211*a*.

III. HEAD OF BOIS BLANC ISLAND RANGE LIGHTS.

The back range tower of this range was burnt down on the night of the 7th August, 1889, and since that time the light has been shown temporarily from a reflector lantern hoisted on a mast, at an elevation of 45 feet above the water. The mast is surmounted by a barrel, to make it more conspicuous as a day mark. It is 33 feet high, and with the barrel, is painted red.

The front light of this range has always been fixed white, and the back one fixed red.

The substance of this to be entered in the Canadian List of Lights and this range is to be renumbered 211 and 211*a*.

IV. LIMEKILN CROSSING RANGE LIST.

Two range lights, established by the Government of the United States of America in 1886, in connection with the rock dredging of the Limekiln Crossing, which cut is opposite the Amherstburg Railway Station, were

taken over by the Canadian Government on the opening of navigation in 1888, and have since been regularly maintained.

The lights are below the dredged channel, and the alignment leads through it 150 feet from, and parallel to, its eastern edge. They consist temporarily of reflector lanterns hoisted on masts, which have small slats nailed across them to make them more conspicuous as day marks, and it is intended to replace them by permanent buildings in the alignment of the center of the dredged channel, which will be 70 feet westward of the present line.

The front light stands on a pier built on the shoal opposite Fort Malden on the east, and the head of Bois Blanc Island on the west, above Amherstburg.

Lat. N. 42° 6' 25"
Long. W. 83° 6' 50"

The light is fixed white, elevated 20 feet above the water, and should be visible 2 miles in the line of range. The mast is 17 feet high.

The back range mast is 780 feet south ⅛ east from the front light, on the bank of the river, and is 30 feet high. The light is fixed red, elevated 28 feet above the water, and should be visible 2 miles in the line of range.

The alignment of these lights can be kept from its intersection with the alignment of the Head of Bois Blanc Island range up to opposite the Limekiln Dock.

The substance of this should be entered in the Canadian List of Lights under the Nos. 211*b* and 211*c*.

V. FLOATING LIGHTS IN LIMEKILN CROSSING.

A lantern showing a white light, at an elevation of 5½ feet above the water, suspended from a frame on a small scow, is exhibited by the contractor for the rock dredging at the upper end, and a similar one at the lower end of the Limekiln Crossing, to indicate the western edge of the completed portion of the dredged channel. These are mere temporary lights, are moved as the exigencies of the dredging may require, and will probably be abolished when the work is completed.

VI. FORT MALDEN RANGE LIGHTS.

Two range lights, maintained by subscription amongst vessel owners interested, were established during the season of 1889, north of the Village of Amherstburg, to show the best channel clear of shoals from the head of the Limekiln Crossing Cut to the foot of Fighting Island.

The towers are skeleton framed wooden buildings, with the side facing the line of range in each slatted and painted to make them more conspicuous day marks.

The front tower stands on the edge of the bank on the east side of the river, about 2,000 feet south of the Railway Station, and abreast of the lower end of the Limekiln Crossing Cut.

Lat. N. 42° 6' 52"
Long. W. 83° 6' 40"

The light is fixed white, shown from a small reflector lantern hoisted to the top of the skeleton tower. It is elevated 75 feet above the level of the water, and should be visible 6 miles in the line of range. The tower is 50 feet high and is painted white.

The back tower stands on the east side of the street 646 feet S. 18° 45' E. from the front one. It is 80 feet high and is painted red. The light is fixed red, shown from a lantern similar to the front one, and should be visible the same distance. It is at an elevation of 108 feet above the water.

The substance of this should be entered in the Canadian List of Lights under the Nos. 212 and 212*a*, the Thames River Lights being renumbered 213.

VII. TEXAS DOCK RANGE LIGHTS.

Two range lights have been maintained for some years past by Messrs. Duff & Gatfield, local pilots, to suit their own convenience, at Texas Dock, on or nearly on, the same alignment as the Limekiln Crossing range. They consist of reflector lanterns hoisted on masts, to which are attached small slats, to make them more conspicuous as day beacons.

The front light is fixed red and is elevated 35 feet above the water ; it should be visible two miles in the line of range. The mast is 28 feet high and stands upon the lower end of the old railway transfer slip at Texas Dock.

Lat. N. 42° 7' 30"
Long. W. 83° 6' 49"

The back light is fixed white elevated 60 feet above the water and should also be visible 2 miles in the line of range. The mast is 40 feet high and stands 375 feet N. ⅛ W. from the front light, on top of the bank immediately north of Texas Dock.

The substance of this should be entered in the Canadian List of Lights under the Nos. 212 *b* and 212 *c*.

VIII. SHOALS AND BUOYS IN THE RIVER DETROIT.

Four shoal spots have been reported and buoyed in the Canadian Channel of the River Detroit, near Amherstburg, which are not clearly defined on existing charts.

(*a.*) A shoal with 15 feet water in the middle of the channel opposite the black barrel buoy, on the tail of Bois Blanc Island shoal. From this shoal Bois Blanc lighthouse bears N. ½ E., Bar Point S. ¾ E., Foot of Hickory Island W. by N. ¾ N., and the north end of Fox Island N. W. by N. ¾ N.

This shoal is marked by a middle ground spar buoy painted red and black in horizontal bands.

(*b.*) A shoal with 12 feet water, locally known as the "Boston" shoal, on the west side of the river, immediately opposite Fraser's Dock, and 500 feet from the Bois Blanc Island shore. From the buoy which marks it, the Bois Blanc Lighthouse bears S. 35° W., the upper end of Fraser's Dock N. 65° E., and the lower end N. 85° E.

This shoal is marked by a black spar buoy moored near its upper end and outside edge.

(*c.*) A shoal with 13½ feet water, locally known as the "Spokane" shoal, located 260 feet from the Amherstburg shore, and about 800 feet north of Fraser's Dock, with 18 feet water between it and the shore.

From the outside edge of this shoal, Bois Blanc Island lighthouse bears S. W. by S. ¼ S. ; the N. W. corner of Fraser's Dock S. by E. ¼ E. ; the north end of Amherstburg Dock N. ¼ W. ; the N. E. point of Bois Blanc Island, N. by W. ¾ W.

This shoal is marked by a red spar buoy.

(*d.*) A shoal with 14 feet water, locally known as the "Milwaukee" shoal, extending out about 500 feet north-eastwardly from the shore line at the head of Bois Blanc Island. This shoal is marked by a black spar buoy.

(*e.*) On the following page is given a complete list of buoys now maintained by the Canadian Goverment in the River Detroit.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Deputy Minister of Marine, Ottawa, Canada.

NOTICE TO MARINERS.

No. 12 of 1890.

I.—DISCONTINUANCE OF ETANG DU NORD FOG ALARM.

It has been found that the Steam Fog Whistle heretofore maintained at Etang du Nord, Grindstone Island, Magdalen Islands, in the Gulf of St. Lawrence, is so located that vessels cannot hear it until they are in dangerous proximity to the outlying reefs in that vicinity.

Lat. N. 47° 23' 30"
Long. W. 61° 57' 0"

It has consequently been decided to discontinue it from and after the opening of navigation this spring.

This Notice affects Admiralty Charts Nos. 1134 and 2666, and Canadian List of Lights and Fog Signals No. 13.

II.—DISCONTINUANCE OF RED SECTOR IN BLOCKHOUSE POINT LIGHT.

In consequence of the establishment of the Haszard's Point range lights, the streak of red light shown from a window of the Blockhouse Point lighthouse, on the western side of the entrance to Charlottetown Harbor, on the Strait of Northumberland coast of Prince Edward Island, which indicated the direction of the bell buoy from the lighthouse, is no longer required, and will therefore be discontinued from the opening of navigation this spring.

This Notice affects Admiralty Charts Nos. 1709, 1738, 2034 and 2666, and Canadian List of Lights No. 308.

WM. SMITH,
Deputy Minister of Marine.

PROCLAMATION.

ROBT. SEDGEWICK,
Député du ministre de
la justice, Canada.

ATTENDU qu'en vertu des dispositions de l'Acte de tempérance du Canada, l'avis suivant fut adressé au Secrétaire d'Etat pour le Canada, accompagné de la pétition ci-jointe :—

“ A l'honorable Secrétaire d'Etat du Canada,—

“ MONSIEUR,—Nous, soussignés, électeurs de la
“ division de la cité de Saint-Jean, qui constituait
“ récemment la cité de Portland, et dans laquelle cité
“ de Portland l'Acte de tempérance du Canada est
“ maintenant en vigueur en vertu d'un ordre en
“ conseil daté du 1er juillet 1886, vous prions de
“ prendre connaissance que nous désirons présenter la
“ pétition ci-dessous à Son Excellence le Gouverneur
“ général, savoir :

“ ‘ A Son Excellence le Gouverneur général du
“ ‘ Canada en conseil,—

“ ‘ La pétition des soussignés, électeurs de la division
“ ‘ de la cité de Saint-Jean, qui constituait récemment
“ ‘ la cité de Portland, dans les cité et comté de Saint-
“ ‘ Jean, et province du Nouveau-Brunswick, et dans
“ ‘ laquelle cité de Portland l'Acte de tempérance du
“ ‘ Canada est maintenant en vigueur en vertu d'un
“ ‘ ordre en conseil daté du 1er juillet 1886, ayant qua-
“ ‘ lité et capacité pour voter à l'élection d'un membre
“ ‘ de la Chambre des Communes dans les dits comté
“ ‘ et cité,—Expose respectueusement,—

“ ‘ Que vos pétitionnaires désirent que l'ordre en
“ ‘ conseil passé sous l'empire de l'Acte de tempérance
“ ‘ du Canada, le premier jour de juillet dans l'année
“ ‘ de Notre-Seigneur mil huit cent quatre-vingt-six,
“ ‘ déclarant que le dit acte serait en vigueur et appli-
“ ‘ cation dans la dite cité de Portland à compter du
“ ‘ jour où expireraient les licences annuelles ou semi-
“ ‘ annuelles alors en force dans la cité pour la
“ ‘ vente des liqueurs spiritueuses, pourvu que ce
“ ‘ jour fût au moins quatre-vingt-dix jours après
“ ‘ la date du dit ordre en conseil, et si ce nombre de
“ ‘ jours était moindre, ce serait alors à compter du
“ ‘ même jour de l'année suivante, et s'il n'existait pas
“ ‘ de licences en vigueur dans la dite cité, alors la
“ ‘ deuxième partie du dit acte deviendrait en vigueur
“ ‘ et en application dans la dite cité après l'expiration
“ ‘ de trente jours à compter de sa date,—soit révoqué
“ ‘ après l'expiration de trois ans qui suivront le jour
“ ‘ où la dite deuxième partie de l'acte est devenu
“ ‘ exécutoire dans la dite cité de Portland, en vertu du
“ ‘ dit ordre en conseil, savoir, à compter du tren-
“ ‘ tième jour d'avril de l'année de Notre Seigneur
“ ‘ mil huit cent quatre-vingt-sept, étant le jour où
“ ‘ expiraient les licences annuelles pour la vente des
“ ‘ liqueurs spiritueuses dans la dite cité.

“ ‘ C'est pourquoi vos pétitionnaires prient humble-
“ ‘ ment qu'il plaise à Votre Excellence, par un ordre
“ ‘ en conseil en vertu du dit acte, de révoquer l'ordre
“ ‘ en conseil du premier jour de juillet de l'année de
“ ‘ Notre-Seigneur mil huit cent quatre-vingt-six ; et
“ ‘ nous désirons que les votes des électeurs de cette
“ ‘ division de la cité de Saint-Jean qui constituait
“ ‘ récemment la cité de Portland soient enregistrés
“ ‘ pour et contre la révocation du dit ordre en con-
“ ‘ seil.’ Et vos pétitionnaires, comme de droit, ne
“ cesseront de prier.”

Et attendu que la deuxième partie du dit Acte a été mise en vigueur dans la dite cité de Portland (ainsi appelée autrefois), dans la province du Nouveau-Brunswick, par un ordre en conseil en date du premier jour de juillet mil huit cent quatre-vingt-six ;

Et attendu que le Gouverneur général en conseil ayant été convaincu que cet avis était revêtu des signatures authentiques d'un quart ou plus de tous les électeurs de la dite cité de Portland, dans la province du Nouveau-Brunswick (il a été constaté que les signatures apposées à l'avis étaient des signatures authentiques au nombre de neuf cent six), et que les autres exigences de l'acte avaient été observées,—un ordre du Gouverneur général en conseil fut passé, ordonnant que les votes de tous les électeurs de la dite cité de Portland fussent enregistrés pour ou contre l'adoption de la dite pétition, et autorisant Notre Secrétaire d'Etat du Canada de fixer le jour auquel un poll serait tenu pour recevoir ces votes, et de nommer un officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs, et de remplir les autres devoirs exigés par la loi, et de fixer le lieu, le jour et l'heure où cet officier-rapporteur devra nommer les personnes qui devront se tenir aux différents bureaux de votation, et faire le décompte final des votes exigé par l'acte, et de fixer le lieu, le jour et l'heure où devra se faire le décompte des votes des électeurs, et faire rapport du résultat de la votation, et ordonnant aussi l'émission d'une proclamation à cet effet ;

Et attendu que les dates et les endroits pour les fins ci-dessus mentionnées ayant été fixés, une proclamation sous le grand sceau du Canada fut émise en date du vingt-septième jour de janvier dernier, laquelle était censée proclamer et déclarer les dates et endroits ainsi fixés pour les fins ci-dessus mentionnées ;

Et attendu que dans la dite proclamation le jour auquel le poll devait être tenu pour recevoir les votes des électeurs pour et contre la pétition fut, par inadvertance, annoncé être le jeudi le treizième jour de mars alors prochain, tandis que ce jour aurait dû être jeudi le dix-septième jour d'avril prochain ;

Sachez donc, que par la présente, Nous invalidons, révoquons, cancellons et rendons nulle la dite proclamation du vingt-septième jour de janvier dernier, et toute matière et chose y contenue ;

Et sachez de plus qu'en vertu de l'autorité qui Nous est conférée par le dit acte et le dit ordre en conseil, Nous proclamons et déclarons par les présentes, que jeudi, le dix-septième jour d'avril prochain, un poll sera tenu dans la dite cité de Portland pour y recevoir les votes des électeurs pour et contre la dite pétition. Que ces votes seront enregistrés au scrutin secret depuis neuf heures du matin jusqu'à cinq heures de l'après-midi de ce jour-là. Que James A. Harding, écuyer, shérif des comté et cité de Saint-Jean, dans la province du Nouveau-Brunswick, a été nommé officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs pour et contre la pétition, de compter ensuite les votes, et puis de faire rapport du résultat au Gouverneur général en conseil. Que le dit officier-rapporteur est autorisé et requis de nommer un sous-officier-rapporteur à et pour chaque bureau de votation. Que l'officier-rapporteur nommera les différentes personnes qui devront se tenir aux différents bureaux de votation, et qui devront faire le décompte final des votes, au nom des personnes autorisées à favoriser ou à s'opposer respectivement à l'adoption de la pétition, au bureau du dit shérif des dits comté et cité de Saint-Jean, lundi, le quatorzième jour d'avril prochain, à dix heures de l'avant-midi.

Que les votes des électeurs seront comptés, et le résultat de la votation annoncé par l'officier-rapporteur au bureau du dit shérif, lundi, le vingt-unième jour d'avril prochain, à dix heures du matin.

Et que dans le cas où la pétition serait adoptée par les électeurs, le Gouverneur général en conseil pourra, en tout temps après l'expiration d'une période de trente jours depuis la date de l'adoption de la dite pétition, et après l'expiration de trois années à compter du jour de l'entrée en vigueur de la deuxième partie du dit acte, dans la dite cité de Portland en vertu du dit ordre en conseil en date du premier jour de juillet 1886, par un ordre en conseil publié dans la *Gazette du Canada* révoquer le dit ordre en conseil du premier jour de juillet mil huit cent quatre-vingt-six, par lequel la deuxième partie de l'Acte de tempérance du Canada, 1878, devenait exécutoire dans la dite cité de Portland, tel que y mentionné.

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

En foi de quoi, Nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. Témoin, Notre très fidèle et bien aimé le Très-honorable Sir Frederick Arthur Stanley, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain ; Gouverneur-général du Canada et Vice-amiral d'icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce DIXIÈME jour de MARS, dans l'année de Notre-Seigneur, mil huit cent quatre-vingt-dix, et de Notre Règne la cinquante-troisième.

Par ordre,
J. A. CHAPLEAU,
Secrétaire d'Etat.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by an Order in Council of the 26th day of November, 1888, the Minister of Marine and Fisheries was authorized to fix the number of Boat Licenses to be issued in the Fraser River, in British Columbia, for the purpose of catching salmon, and in pursuance of such authority the issue of 450 licenses was sanctioned;

And whereas by an Order in Council passed on the 17th day of March, 1889, the operation of the regulations enacted by the said Order in Council of the 26th November, 1888, and the authority thereby conferred were suspended during the year 1889;

And whereas in December, 1889, a delegation of persons engaged in the salmon canning industry in British Columbia urged that no limit should be placed *inter alia* upon the licenses issued,—

His Excellency, under the authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the said Order in Council of the 26th November, 1888, as well as sections 1 and 2 of the Consolidated Fishery Regulations for the Province of British Columbia established by the Order in Council of the 18th July, 1889, shall be, and the same are hereby rescinded, and the following regulations to which the Minister of Justice reports there exists no legal objection, substituted in lieu thereof:—

SECTION 1.

Salmon Fishery.

1. Fishing by means of nets or other apparatus without leases or licenses from the Minister of Marine and Fisheries, is prohibited in all waters of the Province of British Columbia.

Provided always that Indians shall at all times have liberty to fish for the purpose of providing food for themselves, but not for sale, barter or traffic, by any means, other than with drift nets or spearing.

2. Meshes of nets used for capturing Salmon shall be at least five and three quarter inches extension measure, and nothing shall be done to practically diminish their size: provided always that the Minister of Marine and Fisheries may order larger meshes to be used at such times and places as may be in his opinion necessary for the protection of the Fisheries.

3. (*a.*) Drifting with salmon nets shall be confined to tidal waters, and no salmon net of any kind shall be used for Salmon in fresh waters.

(*b.*) Drift nets shall not be used so as to obstruct more than one third of any river.

(*c.*) Fishing for salmon shall be discontinued from 6 o'clock p.m. on Saturday to 6 o'clock a.m. on the following Monday, and during such close time no nets or other fishing apparatus shall be set or used so as to impede the free course of fish, and all nets or other fishing apparatus set or used otherwise shall be deemed to be illegally set and shall be liable to be seized and forfeited, and the owner or owners or persons using the same shall be liable to the penalties and costs imposed by the Fisheries Act.

4. (*a*). Before any salmon net, fishing boat or other fishing apparatus shall be used, the owner or persons interested in such net, fishing boat or fishing apparatus shall cause a memorandum in writing setting forth the name of the owner or person interested, the length of the net, boat or other fishing apparatus and its intended location to be filed with the Inspector of Fisheries who, if no valid objection exists, may, in accordance with instructions from the Minister of Marine and Fisheries, issue a fishery license for the same, and any net, fishing boat or fishing apparatus used before such license has been obtained, and any net, fishing boat or fishing apparatus used in excess or evasion of the description contained in such license shall be deemed to be illegal and liable to forfeiture, together with the fish caught therein, and the owner or person using the same shall be also subject to fine and costs under the Fisheries Act.

(*b*). All salmon nets and fishing boats shall have the name of the owner or owners legibly marked on two pieces of wood or metal attached to the same, and such mark shall be preserved on such nets or fishing boats during the fishing season in such manner as to be visible without taking up the net or nets; and any net or fishing boat used without such mark shall be liable to forfeiture.

5. (*a*). The Minister of Marine and Fisheries shall from time to time determine the number of boats, seines, or nets, or other fishing apparatus to be used in any of the waters of British Columbia.

(*b*). The total number of licenses for Salmon fishing in the Fraser River shall be limited to 500, and of this number 350 shall be allotted among the Canneries in operation on the Fraser River in the season of 1890, the allotment thereof to be based, in the cases of the old Canneries, upon their average respective packs of the last three seasons, and in those of new Canneries upon the estimate of the Inspector of Fisheries, of the reasonable working capacity of such new Canneries.

For all licenses up to twenty, inclusive, a fee of twenty dollars each shall be charged, and for any number in excess of twenty which, under the proposed allotment any Cannery may be entitled to take up, a fee of $50.00 for each license shall be charged. Should any of the 350 licenses, above referred to remain unissued, they shall be allotted on the basis already stated, to the Canneries applying therefor, at a fee of $50.00 for each license, and in case there should not be a sufficient number to permit of this being done, they may be issued by the Inspector of Fisheries, in such manner as he deems equitable upon payment of the last mentioned fee; the remaining 150 Licenses to be issued at $5.00 per license to the proprietors of Freezers on the River and to fishermen, as the Minister of Marine and Fisheries may authorize, no fisherman however to receive more than one license.

Two lights are shown from small lenticular lanterns, hoisted in a frame amidships, 7 feet apart vertically.

The upper light is fixed red, elevated 27 feet above the water, and should be visible 7 miles all around the horizon.

The lower light is fixed white, elevated 20 feet above the water, and should be visible 9 miles all around the horizon.

The substance of this should be entered in the Canadian List of Lights under the No. 208.

II. AMHERSTBURG RANGE LIGHTS.

Two range lights were established by the Lake Carriers' Association of Buffalo, on the first of September, 1889, south of the Village of Amherstburg, to guide through the deepest channel from off Bar Point to Bois Blanc lighthouse.

The towers are skeleton framed, square, wooden buildings, with the side facing the line of range, in each, slatted and painted to make them more conspicuous day marks.

The front tower stands on the east bank of the river, about 2,300 feet north of Fraser's Dock, and about 2,000 feet south of the Post Office. It stands about 80 feet back from the water's edge, on ground about 8 feet above the water.

Lat. N. 42° 5' 47"
Long. W. 83° 6' 41"

The light is fixed red, shown from a small reflector lantern hoisted to the top of the skeleton tower. It is elevated 56 feet above the level of the water and should be visible 8 miles in the line of range.

The tower is 50 feet high and is painted white.

The back tower stands 475 feet north 16° 30' east from the front one and about 170 feet east from the river's edge. It is 80 feet high and is painted red. It stands on ground elevated about 2 feet above the water.

The light is in every respect similar to the front one, and is at an elevation of 80 feet above the water.

The substance of this should be entered in the Canadian List of Lights under the Nos. 210 and 210*a*, the range at the head of Bois Blanc being renumbered 211 and 211*a*.

III. HEAD OF BOIS BLANC ISLAND RANGE LIGHTS.

The back range tower of this range was burnt down on the night of the 7th August, 1889, and since that time the light has been shown temporarily from a reflector lantern hoisted on a mast, at an elevation of 45 feet above the water. The mast is surmounted by a barrel, to make it more conspicuous as a day mark. It is 33 feet high, and with the barrel, is painted red.

The front light of this range has always been fixed white, and the back one fixed red.

The substance of this to be entered in the Canadian List of Lights and this range is to be renumbered 211 and 211*a*.

IV. LIMEKILN CROSSING RANGE LIST.

Two range lights, established by the Government of the United States of America in 1886, in connection with the rock dredging of the Limekiln Crossing, which cut is opposite the Amherstburg Railway Station, were

taken over by the Canadian Government on the opening of navigation in 1888, and have since been regularly maintained.

The lights are below the dredged channel, and the alignment leads through it 150 feet from, and parallel to, its eastern edge. They consist temporarily of reflector lanterns hoisted on masts, which have small slats nailed across them to make them more conspicuous as day marks, and it is intended to replace them by permanent buildings in the alignment of the center of the dredged channel, which will be 70 feet westward of the present line.

The front light stands on a pier built on the shoal opposite Fort Malden on the east, and the head of Bois Blanc Island on the west, above Amherstburg.

Lat.	N.	42°	6'	25"
Long.	W.	83°	6'	50"

The light is fixed white, elevated 20 feet above the water, and should be visible 2 miles in the line of range. The mast is 17 feet high.

The back range mast is 780 feet south ⅛ east from the front light, on the bank of the river, and is 30 feet high. The light is fixed red, elevated 28 feet above the water, and should be visible 2 miles in the line of range.

The alignment of these lights can be kept from its intersection with the alignment of the Head of Bois Blanc Island range up to opposite the Limekiln Dock.

The substance of this should be entered in the Canadian List of Lights under the Nos. 211*b* and 211*c*.

V. FLOATING LIGHTS IN LIMEKILN CROSSING.

A lantern showing a white light, at an elevation of 5½ feet above the water, suspended from a frame on a small scow, is exhibited by the contractor for the rock dredging at the upper end, and a similar one at the lower end of the Limekiln Crossing, to indicate the western edge of the completed portion of the dredged channel. These are mere temporary lights, are moved as the exigencies of the dredging may require, and will probably be abolished when the work is completed.

VI. FORT MALDEN RANGE LIGHTS.

Two range lights, maintained by subscription amongst vessel owners interested, were established during the season of 1889, north of the Village of Amherstburg, to show the best channel clear of shoals from the head of the Limekiln Crossing Cut to the foot of Fighting Island.

The towers are skeleton framed wooden buildings, with the side facing the line of range in each slatted and painted to make them more conspicuous day marks.

The front tower stands on the edge of the bank on the east side of the river, about 2,000 feet south of the Railway Station, and abreast of the lower end of the Limekiln Crossing Cut.

Lat.	N.	42°	6'	52"
Long.	W.	83°	6'	40"

The light is fixed white, shown from a small reflector lantern hoisted to the top of the skeleton tower. It is elevated 75 feet above the level of the water, and should be visible 6 miles in the line of range. The tower is 50 feet high and is painted white.

The back tower stands on the east side of the street 646 feet S. 18° 45' E. from the front one. It is 80 feet high and is painted red. The light is fixed red, shown from a lantern similar to the front one, and should be visible the same distance. It is at an elevation of 108 feet above the water.

The substance of this should be entered in the Canadian List of Lights under the Nos. 212 and 212*a*, the Thames River Lights being renumbered 213.

VII. TEXAS DOCK RANGE LIGHTS.

Two range lights have been maintained for some years past by Messrs. Duff & Gatfield, local pilots, to suit their own convenience, at Texas Dock, on or nearly on, the same alignment as the Limekiln Crossing range. They consist of reflector lanterns hoisted on masts, to which are attached small slats, to make them more conspicuous as day beacons.

The front light is fixed red and is elevated 35 feet above the water; it should be visible two miles in the line of range. The mast is 28 feet high and stands upon the lower end of the old railway transfer slip at Texas Dock.

Lat.	N.	42°	7'	30"
Long.	W.	83°	6'	49"

The back light is fixed white elevated 60 feet above the water and should also be visible 2 miles in the line of range. The mast is 40 feet high and stands 375 feet N. ⅛ W. from the front light, on top of the bank immediately north of Texas Dock.

The substance of this should be entered in the Canadian List of Lights under the Nos. 212 *b* and 212 *c*.

VIII. SHOALS AND BUOYS IN THE RIVER DETROIT.

Four shoal spots have been reported and buoyed in the Canadian Channel of the River Detroit, near Amherstburg, which are not clearly defined on existing charts.

(*a.*) A shoal with 15 feet water in the middle of the channel opposite the black barrel buoy, on the tail of Bois Blanc Island shoal. From this shoal Bois Blanc lighthouse bears N. ½ E., Bar Point S. ¾ E., Foot of Hickory Island W. by N. ¾ N., and the north end of Fox Island N. W. by N. ¾ N.

This shoal is marked by a middle ground spar buoy painted red and black in horizontal bands.

(*b.*) A shoal with 12 feet water, locally known as the "Boston" shoal, on the west side of the river, immediately opposite Fraser's Dock, and 500 feet from the Bois Blanc Island shore. From the buoy which marks it, the Bois Blanc Lighthouse bears S. 35° W., the upper end of Fraser's Dock N. 65° E., and the lower end N. 85° E.

This shoal is marked by a black spar buoy moored near its upper end and outside edge.

(*c.*) A shoal with 13½ feet water, locally known as the "Spokane" shoal, located 260 feet from the Amherstburg shore, and about 800 feet north of Fraser's Dock, with 18 feet water between it and the shore.

From the outside edge of this shoal, Bois Blanc Island lighthouse bears S. W. by S. ¼ S.; the N. W. corner of Fraser's Dock S. by E. ¼ E.; the north end of Amherstburg Dock N. ¼ W.; the N. E. point of Bois Blanc Island, N. by W. ¾ W.

This shoal is marked by a red spar buoy.

(*d.*) A shoal with 14 feet water, locally known as the "Milwaukee" shoal, extending out about 500 feet north-eastwardly from the shore line at the head of Bois Blanc Island. This shoal is marked by a black spar buoy.

(*e.*) On the following page is given a complete list of buoys now maintained by the Canadian Goverment in the River Detroit.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Deputy Minister of Marine, Ottawa, Canada.

I.—ALTERATION IN HEIGHT OF PUBNICO LIGHT.

The light house tower on Beach Point, on the east side of the entrance to Pubnico Harbor, in the County of Yarmouth, on the Atlantic Coast of the Province of Nova Scotia, has been increased in height and somewhat changed in appearance.

The building now consists of a square wooden tower, surmounted by an iron lantern, with keeper's dwelling attached to the tower. The height from the base to the vane on the lantern is 40 feet. The building is painted white.

The light is now 41 feet above high water mark, which will increase its range of visibility to 11 miles. In other respects it is unchanged.

This Notice affects Admiralty Charts Nos. 339, 352, 2637 and 2670, and Canadian List of Lights No. 428.

II.—HEIGHT OF LITTLE HOPE LIGHT.

Referring to Notices to Mariners Nos 32 and 52 of 1889, the new light on Little Hope Island is 3 feet higher than the old light, or 43 feet above high water mark, and the building about 4 feet higher, or 30 feet high in all.

This Notice affects Admiralty Charts Nos. 341, 730 and 2670, and Canadian List of Lights No. 415.

NOTICE TO MARINERS.

No. 11 of 1890.

NEW BACK TOWER FOR ISLE STE. THÉRÈSE LOWER RANGE.

The back tower of the lower range on Isle Ste. Thérèse, River St. Lawrence below Montreal, in the County of Hochelaga and Province of Quebec, was destroyed by fire on the 22nd August last. A temporary light consisting of a lantern hoisted on a pole has since been maintained. A new lighthouse having now been erected will be put in operation on the opening of navigation this year.

The light will be, as heretofore, fixed white, and the illuminating apparatus catoptric.

The light will be elevated 48 feet above the ordinary level of the river, and should be visible 12 miles in, and over a small arc on each side of, the alignment.

The tower is a square wooden building painted white, and is 42 feet in height from the ground to the vane on the lantern.

The front range light building stands close to the water's edge, on the north-east shore of the Island, and is distant 600 feet N. 50° E. from the back light.

Lat. N. 45° 41' 22"
Long. W. 73° 27' 43"

The light is fixed white, catoptric, elevated 29 feet above the ordinary level of the river, and should be visible 10 miles over a similar arc to the back light.

The building consists of a wooden lantern painted white, standing upon an open post foundation.

The height from the ground to the vane on the lantern is 22 feet.

The two lights in range south 50 degrees west lead through the centre of the dredged channel, from the vicinity of Cap St. Michel.

This Notice affects Admiralty Charts Nos. 797, 2,777, and 2,830b, and Canadian List of Lights No. 106.

NOTICE TO MARINERS.

No. 12 of 1890.

I.—DISCONTINUANCE OF ETANG DU NORD FOG ALARM.

It has been found that the Steam Fog Whistle heretofore maintained at Etang du Nord, Grindstone Island, Magdalen Islands, in the Gulf of St. Lawrence, is so located that vessels cannot hear it until they are in dangerous proximity to the outlying reefs in that vicinity.

Lat. N. 47° 23' 30"
Long. W. 61° 57' 0"

It has consequently been decided to discontinue it from and after the opening of navigation this spring.

This Notice affects Admiralty Charts Nos. 1134 and 2666, and Canadian List of Lights and Fog Signals No. 13.

II.—DISCONTINUANCE OF RED SECTOR IN BLOCKHOUSE POINT LIGHT.

In consequence of the establishment of the Haszard's Point range lights, the streak of red light shown from a window of the Blockhouse Point lighthouse, on the western side of the entrance to Charlottetown Harbor, on the Strait of Northumberland coast of Prince Edward Island, which indicated the direction of the bell buoy from the lighthouse, is no longer required, and will therefore be discontinued from the opening of navigation this spring.

This Notice affects Admiralty Charts Nos. 1709, 1738, 2034 and 2666, and Canadian List of Lights No. 308.

la Justice, Canada.

Attendu que dans et par les Statuts Revisés du Canada, chapitre cent cinquente-un, intitulé "Acte concernant le maintien de la paix dans le voisinage des travaux publics," il est entre autres choses en substance statué, que le Gouverneur en conseil pourra, chaque fois que les circonstances l'exigeront, déclarer par proclamation qu'à partir d'un jour désigné en la proclamation, le dit acte ou certains de ses articles seront exécutoires dans une ou plusieurs localités déterminées du Canada désignées dans cette proclamation, dans les limites ou le voisinage desquelles il se fait des travaux publics, ou dans telles localités voisines de travaux publics dans lesquelles il jugera nécessaire de mettre l'acte ou certains de ses articles en vigueur ; et que cet acte ou ces articles, à partir du jour indiqué par la proclamation, auront force d'exécution dans les localités ainsi désignées :

Sachez donc, que par ces présentes, et par et avec l'avis de Notre Conseil Privé pour le Canada, et par et en vertu des pouvoirs qui Nous sont conférés dans et par le dit Acte, Nous proclamons et déclarons que dès et après le premier jour d'octobre, dans l'année de Notre Seigneur, mil huit cent quatre-vingt-neuf, toutes les dispositions du dit acte, à l'exception des articles trois, quatre, cinq, six, sept, huit, neuf, dix, onze et douze, seront exécutoires dans les localités ci-dessous, savoir :

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquences.

En foi de quoi, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Sceau du Canada. Témoin, Notre très fidèle et bien-aimé le Très-honorable Sir Frederic Arthur Stanley, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain ; Gouverneur général du Canada et Vice-amiral d'icelui.

CANADA.

VICTORIA, par la Grâce de Dieu, Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, défenseur de la foi, etc., etc., etc.

A tous ceux qui les présentes verront ou qu'icelles pourront concerner, —SALUT :

PROCLAMATION.

ROBT. SEDGEWICK, Député du ministre de la justice, Canada. } ATTENDU qu'en vertu des dispositions de l'Acte de tempérance du Canada, l'avis suivant fut adressé au Secrétaire d'Etat pour le Canada, accompagné de la pétition ci-jointe :—

“A l'honorable Secrétaire d'Etat du Canada,—

“MONSIEUR,—Nous, soussignés, électeurs de la division de la cité de Saint-Jean, qui constituait récemment la cité de Portland, et dans laquelle cité de Portland l'Acte de tempérance du Canada est maintenant en vigueur en vertu d'un ordre en conseil daté du 1er juillet 1886, vous prions de prendre connaissance que nous désirons présenter la pétition ci-dessous à Son Excellence le Gouverneur général, savoir :

“‘A Son Excellence le Gouverneur général du Canada en conseil,—

“‘La pétition des soussignés, électeurs de la division de la cité de Saint-Jean, qui constituait récemment la cité de Portland, dans les cité et comté de Saint-Jean, et province du Nouveau-Brunswick, et dans laquelle cité de Portland l'Acte de tempérance du Canada est maintenant en vigueur en vertu d'un ordre en conseil daté du 1er juillet 1886, ayant qualité et capacité pour voter à l'élection d'un membre de la Chambre des Communes dans les dits comté et cité,—Expose respectueusement,—

“‘Que vos pétitionnaires désirent que l'ordre en conseil passé sous l'empire de l'Acte de tempérance du Canada, le premier jour de juillet dans l'année de Notre-Seigneur mil huit cent quatre-vingt-six, déclarant que le dit acte serait en vigueur et application dans la dite cité de Portland à compter du jour où expireraient les licences annuelles ou semi-annuelles alors en force dans la cité pour la vente des liqueurs spiritueuses, pourvu que ce jour fût au moins quatre-vingt-dix jours après la date du dit ordre en conseil, et si ce nombre de jours était moindre, ce serait alors à compter du même jour de l'année suivante, et s'il n'existait pas de licences en vigueur dans la dite cité, alors la deuxième partie du dit acte deviendrait en vigueur et en application dans la dite cité après l'expiration de trente jours à compter de sa date,—soit révoqué après l'expiration de trois ans qui suivront le jour où la dite deuxième partie de l'acte est devenu exécutoire dans la dite cité de Portland, en vertu du dit ordre en conseil, savoir, à compter du trentième jour d'avril de l'année de Notre Seigneur mil huit cent quatre-vingt-sept, étant le jour où expiraient les licences annuelles pour la vente des liqueurs spiritueuses dans la dite cité.

“‘C'est pourquoi vos pétitionnaires prient humblement qu'il plaise à Votre Excellence, par un ordre en conseil en vertu du dit acte, de révoquer l'ordre en conseil du premier jour de juillet de l'année de Notre-Seigneur mil huit cent quatre-vingt-six ; et nous désirons que les votes des électeurs de cette division de la cité de Saint-Jean qui constituait récemment la cité de Portland soient enregistrés pour et contre la révocation du dit ordre en conseil.' Et vos pétitionnaires, comme de droit, ne cesseront de prier.”

Et attendu que la deuxième partie du dit Acte a été mise en vigueur dans la dite cité de Portland (ainsi appelée autrefois), dans la province du Nouveau-Brunswick, par un ordre en conseil en date du premier jour de juillet mil huit cent quatre-vingt-six ;

Et attendu que le Gouverneur général en conseil ayant été convaincu que cet avis était revêtu des signatures authentiques d'un quart ou plus de tous les électeurs de la dite cité de Portland, dans la province du Nouveau-Brunswick (il a été constaté que les signatures apposées à l'avis étaient des signatures authentiques au nombre de neuf cent six), et que les autres exigences de l'acte avaient été observées,—un ordre du Gouverneur général en conseil fut passé, ordonnant que les votes de tous les électeurs de la dite cité de Portland fussent enregistrés pour ou contre l'adoption de la dite pétition, et autorisant Notre Secrétaire d'Etat du Canada de fixer le jour auquel un poll serait tenu pour recevoir ces votes, et de nommer un officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs, et de remplir les autres devoirs exigés par la loi, et de fixer le lieu, le jour et l'heure où cet officier-rapporteur devra nommer les personnes qui devront se tenir aux différents bureaux de votation, et faire le décompte final des votes exigé par l'acte, et de fixer le lieu, le jour et l'heure où devra se faire le décompte des votes des électeurs, et faire rapport du résultat de la votation, et ordonnant aussi l'émission d'une proclamation à cet effet ;

Et attendu que les dates et les endroits pour les fins ci-dessus mentionnées ayant été fixés, une proclamation sous le grand sceau du Canada fut émise en date du vingt-septième jour de janvier dernier, laquelle était censée proclamer et déclarer les dates et endroits ainsi fixés pour les fins ci-dessus mentionnées ;

Et attendu que dans la dite proclamation le jour auquel le poll devait être tenu pour recevoir les votes des électeurs pour et contre la pétition fut, par inadvertance, annoncé être le jeudi le treizième jour de mars alors prochain, tandis que ce jour aurait dû être jeudi le dix-septième jour d'avril prochain ;

SACHEZ donc, que par la présente, Nous invalidons, révoquons, cancellons et rendons nulle la dite proclamation du vingt-septième jour de janvier dernier, et toute matière et chose y contenue ;

ET SACHEZ de plus qu'en vertu de l'autorité qui Nous est conférée par le dit acte et le dit ordre en conseil, Nous proclamons et déclarons par les présentes, que jeudi, le dix-septième jour d'avril prochain, un poll sera tenu dans la dite cité de Portland pour y recevoir les votes des électeurs pour et contre la dite pétition. Que ces votes seront enregistrés au scrutin secret depuis neuf heures du matin jusqu'à cinq heures de l'après-midi de ce jour-là. Que James A. Harding, écuyer, shérif des comté et cité de Saint-Jean, dans la province du Nouveau-Brunswick, a été nommé officier-rapporteur dans le but de recevoir ce jour-là les votes des électeurs pour et contre la pétition, de compter ensuite les votes, et puis de faire rapport du résultat au Gouverneur général en conseil. Que le dit officier-rapporteur est autorisé et requis de nommer un sous-officier-rapporteur à et pour chaque bureau de votation. Que l'officier-rapporteur nommera les différentes personnes qui devront se tenir aux différents bureaux de votation, et qui devront faire le décompte final des votes, au nom des personnes autorisées à favoriser ou à s'opposer respectivement à l'adoption de la pétition, au bureau du dit shérif des dits comté et cité de Saint-Jean, lundi, le quatorzième jour d'avril prochain, à dix heures de l'avant-midi.

Que les votes des électeurs seront comptés, et le résultat de la votation annoncé par l'officier-rapporteur au bureau du dit shérif, lundi, le vingt-unième jour d'avril prochain, à dix heures du matin.

Et que dans le cas où la pétition serait adoptée par les électeurs, le Gouverneur général en conseil pourra, en tout temps après l'expiration d'une période de trente jours depuis la date de l'adoption de la dite pétition, et après l'expiration de trois années à compter du jour de l'entrée en vigueur de la deuxième partie du dit acte, dans la dite cité de Portland en vertu du dit ordre en conseil en date du premier jour de juillet

1886, par un ordre en conseil publié dans la *Gazette du Canada* révoquer le dit ordre en conseil du premier jour de juillet mil huit cent quatre-vingt-six, par lequel la deuxième partie de l'Acte de tempérance du Canada, 1878, devenait exécutoire dans la dite cité de Portland, tel que y mentionné.

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre très fidèle et bien aimé le Très-honorable Sir FREDERICK ARTHUR STANLEY, Baron Stanley de Preston, dans le comté de Lancaster, dans la Pairie du Royaume-Uni, Chevalier Grand-croix de Notre Très-honorable Ordre du Bain; Gouverneur-général du Canada et Vice-amiral d'icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce DIXIÈME jour de MARS, dans l'année de Notre-Seigneur, mil huit cent quatre-vingt-dix, et de Notre Règne la cinquante-troisième.

Par ordre,

J. A. CHAPLEAU,
37-3 Secrétaire d'Etat.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Quebec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by an Order in Council of the 26th day of November, 1888, the Minister of Marine and Fisheries was authorized to fix the number of Boat Licenses to be issued in the Fraser River, in British Columbia, for the purpose of catching salmon, and in pursuance of such authority the issue of 450 licenses was sanctioned;

And whereas by an Order in Council passed on the 17th day of March, 1889, the operation of the regulations enacted by the said Order in Council of the 26th November, 1888, and the authority thereby conferred were suspended during the year 1889;

And whereas in December, 1889, a delegation of persons engaged in the salmon canning industry in British Columbia urged that no limit should be placed *inter alia* upon the licenses issued,—

His Excellency, under the authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the said Order in Council of the 26th November, 1888, as well as sections 1 and 2 of the Consolidated Fishery Regulations for the Province of British Columbia established by the Order in Council of the 18th July, 1889, shall be, and the same are hereby rescinded, and the following regulations to which the Minister of Justice reports there exists no legal objection, substituted in lieu thereof:—

SECTION 1.

Salmon Fishery.

1. Fishing by means of nets or other apparatus without leases or licenses from the Minister of Marine and Fisheries, is prohibited in all waters of the Province of British Columbia.

Provided always that Indians shall at all times have liberty to fish for the purpose of providing food for themselves, but not for sale, barter or traffic, by any means, other than with drift nets or spearing.

2. Meshes of nets used for capturing Salmon shall be at least five and three quarter inches extension measure, and nothing shall be done to practically diminish their size: provided always that the Minister of Marine and Fisheries may order larger meshes to be used at such times and places as may be in his opinion necessary for the protection of the Fisheries.

3. (*a.*) Drifting with salmon nets shall be confined to tidal waters, and no salmon net of any kind shall be used for Salmon in fresh waters.

(*b.*) Drift nets shall not be used so as to obstruct more than one third of any river.

(*c.*) Fishing for salmon shall be discontinued from 6 o'clock p.m. on Saturday to 6 o'clock a.m. on the following Monday, and during such close time no nets or other fishing apparatus shall be set or used so as to impede the free course of fish, and all nets or other fishing apparatus set or used otherwise shall be deemed to be illegally set and shall be liable to be seized and forfeited, and the owner or owners or persons using the same shall be liable to the penalties and costs imposed by the Fisheries Act.

4. (*a*). Before any salmon net, fishing boat or other fishing apparatus shall be used, the owner or persons interested in such net, fishing boat or fishing apparatus shall cause a memorandum in writing setting forth the name of the owner or person interested, the length of the net, boat or other fishing apparatus and its intended location to be filed with the Inspector of Fisheries who, if no valid objection exists, may, in accordance with instructions from the Minister of Marine and Fisheries, issue a fishery license for the same, and any net, fishing boat or fishing apparatus used before such license has been obtained, and any net, fishing boat or fishing apparatus used in excess or evasion of the description contained in such license shall be deemed to be illegal and liable to forfeiture, together with the fish caught therein, and the owner or person using the same shall be also subject to fine and costs under the Fisheries Act.

(*b*). All salmon nets and fishing boats shall have the name of the owner or owners legibly marked on two pieces of wood or metal attached to the same, and such mark shall be preserved on such nets or fishing boats during the fishing season in such manner as to be visible without taking up the net or nets; and any net or fishing boat used without such mark shall be liable to forfeiture.

5. (*a*). The Minister of Marine and Fisheries shall from time to time determine the number of boats, seines, or nets, or other fishing apparatus to be used in any of the waters of British Columbia.

(*b*). The total number of licenses for Salmon fishing in the Fraser River shall be limited to 500, and of this number 350 shall be allotted among the Canneries in operation on the Fraser River in the season of 1890, the allotment thereof to be based, in the cases of the old Canneries, upon their average respective packs of the last three seasons, and in those of new Canneries upon the estimate of the Inspector of Fisheries, of the reasonable working capacity of such new Canneries.

For all licenses up to twenty, inclusive, a fee of twenty dollars each shall be charged, and for any number in excess of twenty which, under the proposed allotment any Cannery may be entitled to take up, a fee of $50.00 for each license shall be charged. Should any of the 350 licenses, above referred to remain unissued, they shall be allotted on the basis already stated, to the Canneries applying therefor, at a fee of $50.00 for each license, and in case there should not be a sufficient number to permit of this being done, they may be issued by the Inspector of Fisheries, in such manner as he deems equitable upon payment of the last mentioned fee ; the remaining 150 Licenses to be issued at $5.00 per license to the proprietors of Freezers on the River and to fishermen, as the Minister of Marine and Fisheries may authorize, no fisherman however to receive more than one license.
